

Lesson Plan - “Clover Stamping”

Materials

- White paper
- Wine corks, grouped in 3 to create a clover shape – Secure with **elastic**
- Trays with many shades of green paint, blue paint
- Paintbrushes, sponges, dish scrubbers, forks, etc

Instructions

Part 1

Students will paint a green background on the paper, to simulate grass. They can use a variety of painting tools to create this effect

1. Put on **apron**
2. Give students a piece of paper
3. Students choose 2 or 3 different colours of green paint, paint the background paper green, to look like grass.

Part 2

Students stamp clovers on to background

4. Dip clover into one of the paint colours, stamp onto paper
5. Repeat stamping with a variety of green colours.
6. Create stem for clover, if desired.
7. Wash hands in water buckets previously prepared if student is in wheelchair. Mobile students can walk to sink to wash paint off of hands.
