

Lesson Plan

“Coffee Filter Turkey”

Materials

- Bingo dabbers in a variety of colours
- Round coffee filters (type that can be pressed flat)
- Coloured construction paper
- Coloured feathers
- Markers
- Glue sticks and white glue
- “Thankful quote” typed out, photocopied, and trimmed to fit
“I made this little turkey, so everyone will see,
that I am very thankful, for the things you do for me!”

Instructions

1. Fold coffee filter into quarters
2. Using bingo dabber, dab colours in a rainbow effect, starting with the center corner and moving outwards
3. Unfold coffee filter
4. Choose a piece of construction paper, and glue coffee filter turkey to it.
5. Glue “thankful quote” to construction paper

*** IF students are engaged, proceed with extension:*

6. Glue feathers (or glitter) to coffee filter turkey
7. Draw eyes, legs, beak and waddle on to turkey
