

Scrape Painting – Lesson Plan

Scrape painting is a super art process for colour mixing! Using just red, yellow and blue paint students can create bold and colourful works of art with an amazing range of new colours. They can play with shapes and try quick scrapes, slow scrapes, light and hard, adding depth and texture to their paintings.

Materials

- Heavy cardboard, cut into squares. Ridges can be added to bottom surface, if desired
- Paint scrapers
- Paint – red, yellow, blue
- Paper

Procedure

1. Apply a few small drops of paint onto paper
2. Scrape paint in any direction. Mix colours! Change directions! Have fun.
