

Lesson Plan

“Stars”

Students will decorate stars by painting it with fluorescent paint. This will be used during the monthly assembly with black light, to create a shimmering effect.

Materials

card stock
straws
fluorescent paint
star punch out
Smocks

Instructions

(hand-over-hand assistance where needed)

1. Prepare cut out stars, and tape to straw (so they are on a stick)
2. Put on apron
3. Using any of the various painting tools (sponge, paintbrush, mop, roller, etc), cover the star in fluorescent paint.
4. Sit in the peg board to dry
5. Done!!
