

Sticky String Art

Materials

- Contact paper
- Bits of different yarn/string, cut into random short lengths
- tape

Process

1. Prepare yarn, different colours and textures, by cutting up random lengths
2. Give student a piece of contact paper, secure to table or wall with tape
3. Offer student some pieces of yarn. Encourage them to explore textures, colours.
4. Student places yarn on contact paper, moves it around.
5. Place another piece of contact paper on top to 'seal' it up
