

Symmetrical Butterflies

Materials

- Paper, cut into butterfly shape
- Butterfly template
- Paint in squirt bottles – variety of colours

Procedure

1. Ahead of time, prepare butterflies. Fold paper in half and cut out shape of butterfly.
2. Fill squirt bottles with different colours of paint.
3. Fold the unpainted side under the side students are painting to eliminate confusion.
4. Students squirt paint onto butterfly half.
5. Fold over, press
6. Open up and done!
