You know that an animal fantasy is a story that cannot happen in real life. Think of a pet or animal that you would like to see act like a real person and solve a problem in life. Get a piece of paper and draw what the beginning, middle, and end of the story would look like (like a cartoon). Now, go to the "My Storybook" link and create your own animal fantasy.

<https://www.mystorybook.com>

Now click this link to enjoy another animal fantasy! One that will be fun to listen to before Easter and Spring Break! "The Tale of Peter Rabbit"

Pay close attention to the things that could not happen in real life that make this an animal fantasy. Make a list and send them to me.

**Have a Wonderful Break!!! See you next Wednesday!**
