

"LET THERE BE MUSIC"

Words and Music by Dave and Jean Perry

**Let every heart be blessed with music.
Let every life be filled with song.
Let every voice be raised in singing.
Let harmony resound!**

**Let there be music,
Let there be song.
Let happiness in every heart abound.
Let the sounds of laughter ring all around.
Let there be music,
Let there be song!**

**Listen to the music.
Let it fill your heart
Like an eagle soaring through the sky.
Listen to the rhythm.
The syncopated sounds...lift you up!
Let your spirit fly!
HIGH!**
