

Thank you for purchasing this download!

I created this resource to align with the CKLA Kindergarten Skills 4 letters and sounds. You can use this resource with your whole class to reinforce skills taught, extra practice for your tier 2 and tier 3 students or send home for homework. I plan to create similar practice for the other CKLA Skills lessons. It takes a lot of time to do so, so hang tight more resources are coming!

This file includes activities for the letter n.

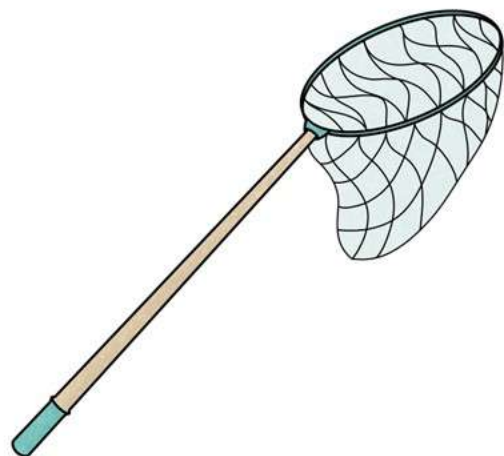

- letter and picture flash cards color/black and white (Print on card stock. You can use these whole group or send home with students)
- independent practice pages (4 practice pages)
- playdoh mats (Print, cut and laminate sheets. Students fill the big letter with playdoh and practice writing the letter on the lines. You can use in a center or copy enough for each student)
- student bracelets (Print and cut one for each student. Students can color the pictures and practice writing the letter on the bracelet. Staple around wrist and have them share with their parents what they learned!)
- center heading cards (Use these cards as heading cards for the centers below)
- center: sound sort picture cards (Print, cut and laminate cards. Use with the heading cards mentioned above. Students will sort pictures that start with the letter sound and those that do not start with the letter sound)
- center: letter identification cards (Print, cut and laminate the letter cards. Use the heading cards mentioned above. Students will sort cards into the target letter and those that are not the target letter)

This is just a sample of what you can get in my Kindergarten CKLA Skills 4 download! In this file you will find these exact activities for all letters in skills 4 (n,h,s,f,v,z,p,e). It also includes activities for the trick words the, a, and that are covered in skills 4.

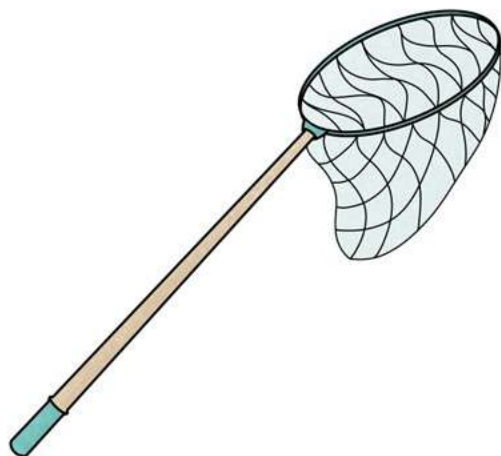

Visit my store on TPT for this all-inclusive file! The link to the whole file is listed in the description!
