

Dear Fifth Grade Students and Families,

We hope you are doing well during this challenging and unique time. As teachers, we have been eager to receive direction to move forward with the school year the best we can. Needless to say, it is going to look very different for the next few weeks. Starting next week, March 30th through April 3rd, we will begin offering online “enrichment and review” in each subject area. We know there will be many questions and challenges as we move into this time of transition. We are asking for your continued patience through this process. As issues arise, stay calm and email your teacher!

Please review the information provided below from each fifth grade teacher as to where you can go to view your enrichment and review activities. You can go to the Montoursville Area School District homepage, under the "School" tab, click on C.E. McCall Middle School, then click on "Middle School Online Enrichment". You can then click on 5th grade and links will be provided there also. Please keep in mind you can email any teacher or message through Class Dojo with questions or concerns during their office hours on Mondays, Wednesdays, and Thursdays from 8:00-3:30.

Language Arts:

Teacher: Mrs. Weaver

How to contact Mrs. Weaver: asweaver@montoursville.k12.pa.us or asweaver@masd.us
