

Dear Parents and Guardians,

As an educator, it is my priority to know students the best that I can in order to help them learn. I would like to learn about their background, achievements, struggles, life history, passions, talents, etc. On the space provided, please write some information you would like me to know about your child that you feel would help me better teach them. :) If you prefer to email this information instead, my email is amy.ahrens@myoneclay.net.

Thank you! - Ms. Ahrens

Students: Please bring this back to class by Friday, August 16th
