

Lowell High School Business Professionals of America (BPA) Chapter along with students in **Travel & Hotel Management** class recently teamed up with the National Organizations for Youth Safety (NOYS) to bring the Tread Wisely campaign to Lowell High School.

BPA members and students learned the 3 basic steps of tire safety and then worked with family and friends to inform them of the importance tread safety plays since the four wheels are what connects cars with the ground.

Additionally, Justice LaPlante received a \$100 prize for submitting tire safety checks through Lowell High School and BPA received a \$500 prize for participating in the safety challenge and submitting supporting documentation to the national organization.

Thank you in part goes to 2018 LHS Alum & BPA member, Andre Ragel, who worked as a Tread Wisely Ambassador over the past year and assisted the BPA Chapter with their Kick-Off Event!

Travel & Hotel Management members include: (Front) Carollyne Goncalves, Lillian Meas, Emily LaGrega (Back) Joao Zanella, David Ajama, Keith Kamau, Natalia Caron, Maura Gillis, Donal Ouellet, and Malina Keo
