

Work-Life Online Platform

NEW! Launched August 1, 2022

Did you know that your employer partners with Bronson HelpNet Employee Assistance Program to bring you a variety of resources that make it easy and convenient to live a healthy, balanced lifestyle? One of the tools you have access to is our Work-Life platform, recently updated with tons of great new features.

What's New?

With a refreshed format and layout— optimized for mobile experience —enjoy:

- Easy and convenient access from your cell phone, tablet or computer
- An individual account with your own private login for a completely confidential experience
- The option to bookmark and save your top-viewed resources

Resources Available at Your Fingertips

A few of the resources you have access to through the Bronson HelpNet work-life platform include:

- An extensive library of articles and tip-sheets on topics like stress/anxiety, family life, childcare, health and fitness, education and career growth, finances and more
- Self-search database for educational resources, pet sitters, financial advisors, volunteer opportunities, childcare providers and more
- Wellness resources and self-assessments
- Financial and daily living calculators
- Savings center, offering 25-75% discounts on name brand merchandise
