Mr. Matthew Sheehan, Superintendent

Hello Mr. Sheehan, Jarod, and Robynn,

I hope this message finds you well. I am reaching out today to discuss 3 important topics, **2 of which require your input in [this Google Form \(click here\)](#).**

New Reporting Options

As you may know, LinkIt! Recently released a new [Select Data](#) interface and redesigned [Student Results](#) and [Item Analysis](#) reports. Updated Student History and Grouping reports will be also released later this fall.

We cannot wait to see all the new use cases and analyses your teachers and administrators will perform, but we understand change can be challenging, particularly at this time. As such we will continue to provide access to our current online reporting modules for 2020-21 and are offering five options for introducing our New Reporting Dashboard to your District. We appreciate you completing the **Google form linked above** to indicate your preference.

2020-21 LinkIt! Benchmarks

The 2020-21 LinkIt! Benchmark assessments have been added to subscribing districts. Please let us know your benchmarking intentions in the **Google form linked above**.

Please note, LinkIt! has made a 4th test available in each grade level Test Bank. This test is intended for districts who may want to administer this past Spring's Form C test this Fall. The prior grade BOY (Beginning of Year) assessment will provide standards mastery data to help identify potential prerequisite gaps. See the example below:

The screenshot shows the 'Assign Online Test' interface. The 'Grade' is set to 6, 'Subject' is Language Arts, and 'Bank' is 2020-21 Gr 6 ELA LinkIt! NJSL Form A. The 'Test' dropdown menu is open, showing options: 2020-21 Gr 6 ELA LinkIt! NJSL Form A, 2020-21 Gr 6 ELA LinkIt! NJSL Form B, 2020-21 Gr 6 ELA LinkIt! NJSL Form C, and 2020-21 Gr 6 ELA LinkIt! NJSL Form C - Prior Gr BOY. A red box highlights the 'C - Prior Gr BOY' option, and a red arrow points to a text box that reads: 'This test would be used ONLY by districts administering the prior year's Form C test. In this example, this test would be used by 2020-21 Grade 7 students.'
