- 1) the date the Participating Unit no longer meets the definition of a Participating Unit;
- 2) the date the Participating Unit ceases active business operations or is placed in bankruptcy or receivership;
- 3) the date the Participating Unit loses its entity by means of dissolution, merger, or otherwise;
- 4) the date the Participating Unit is eliminated as a Participating Unit by an amendment to or change in the Group Policy;
- 5) the date ending the Coverage Month for which the last premium payment is made for the Participating Unit's insurance;
- 6) the last day of a Coverage Month, provided AUL has given the Participating Unit at least 31 calendar days prior written notice; or
- 7) the last day of a Coverage Month, if the Participating Unit has given AUL at least 31 calendar days prior written notice.

If a Person's insurance is terminated due to the termination of a Participating Unit, the Person's rights under the Group Policy are determined as if the Group Policy had terminated on the date that the Participating Unit's coverage terminated.

If coverage for a Participating Unit terminates, the Participating Unit will be liable to AUL for all unpaid premiums for the period during which the coverage was in force.

SECTION 5 - TERMINATIONS

TERMINATION OF THE POLICY: AUL may terminate the Group Policy at the end of any policy month by giving at least 31 days prior notice to the Group Policyholder.

Termination of the Group Policy, or termination of coverage for a Participating Unit, under any conditions will be without prejudice to any claim incurred prior to termination.

EXTENDED BENEFIT: If the Person is Disabled on the date insurance terminates, AUL will pay benefits for Disability:

after the Elimination Period has been met, if the Person is not already receiving a Monthly Benefit;
during the uninterrupted continuance of the same period of Disability; and
subject to the provisions and benefits of the Group Policy.

Benefits will be extended to the EARLIEST of the following:

- 1) the date Current Monthly Income equals or exceeds 80% of the Indexed Pre-Disability Earnings;
- 2) the date that the Person ceases to be Disabled;
- 3) the date the Person dies;
- 4) the date the Maximum Benefit Duration, shown on the Schedule of Benefits, is completed;
- 5) the date the Person fails to give AUL required proof of Disability or information required to determine if any benefits are owed under the Group Policy;
- 6) the date the Person refuses to allow an examination requested by AUL;
- 7) the date the Person is no longer under the Regular Attendance and care of a Physician;
- 8) the date the Person refuses to provide information to AUL to verify the Person's Current Monthly Income; or
- 9) the date the Person leaves the United States or Canada and establishes his residence in any other country. A Person will be considered to reside outside these countries when the Person has been outside the United States or Canada for a total period of 6 months or more during any 12 consecutive months of benefits.

**SECTION 5B - CONTINUATION OF PERSONAL
INSURANCE UNDER THE FAMILY AND
MEDICAL LEAVE ACT**

CONTINUATION OF PERSONAL INSURANCE UNDER THE FAMILY AND MEDICAL LEAVE ACT. If the Participating Unit approves a leave of absence under the Federal Family and Medical Leave Act (FMLA), a Person's coverage under the Group Policy will be continued as stated in this Section. Personal Insurance will continue while a Person's leave is covered under FMLA, until the end of the LATER of:

- 1) the leave period permitted under FMLA; or
- 2) the leave period permitted by applicable state law.

Coverage continued under this Section is subject to the following requirements:

- 1) the Participating Unit has approved a Person's leave in writing as a leave taken under FMLA;
- 2) applicable premiums must continue to be paid to AUL in accordance with the Group Policy (see Section 6 - Premium Payment); and
- 3) Basic Monthly Earnings will be the amount as last reported to AUL in writing and in effect prior to the date the Person's family or medical leave began.

Continuation of Personal Insurance under this provision will cease on the earliest of the following:

- 1) the date a Person dies;
- 2) the date a Person's coverage terminates for nonpayment of premiums;
- 3) the date a Person begins full or part-time employment with another employer;
- 4) the date the Group Policy or the Participating Unit's coverage under the Group Policy terminates;
- 5) the date a Person notifies the Group Policyholder that he will not be returning to Active Work;
- 6) the date a Person's class is no longer offered under the Group Policy;
- 7) the date a Person no longer qualifies for an eligible class, as stated in the Schedule of Benefits;
- 8) the date a person requests termination of coverage under the Group Policy, but not prior to the date of request.

All terms and conditions of the Group Policy will apply during the approved continuation period provided under this Section, unless otherwise stated. While Personal Insurance is being continued under this Section, the Person will be considered exempt from the requirements listed below:

- 1) the Actively At Work definition; and
- 2) the applicable number of hours needed to meet the requirement for full-time Employee, as described in Eligible Classes on the Schedule of Benefits page.

If the Participating Unit has approved more than one type of Leave of Absence for the Person during any one period, AUL will consider such leaves to be concurrent for the purpose of determining how long the Person's coverage may continue under the policy.

**SECTION 5C - CONTINUATION OF PERSONAL INSURANCE
DURING A
LEAVE OF ABSENCE AND TEMPORARY LAYOFF**

LEAVE OF ABSENCE references in this Section means the Person is absent from Active Work for a temporary period of time that has been agreed to in advance and in writing by the Participating Unit and includes temporary layoffs unless otherwise stated.

CONTINUATION OF PERSONAL INSURANCE WHILE TEMPORARILY LAID OFF. If the Participating Unit approves a Temporary Layoff, a Person's coverage under the policy will be continued to the end of the Coverage Month following the month in which the layoff begins, as long as premiums continue to be paid, subject to same requirement as a Leave of Absence.

CONTINUATION OF PERSONAL INSURANCE UNDER A LEAVE OF ABSENCE: If the Participating Unit approves a Leave of Absence, a Person's coverage under this policy will be continued to the end of the Coverage Month following the month that a Person begins a Leave of Absence, as long as premiums continue to be paid, subject to the following requirements:

- 1) the Participating Unit has approved a Person's Leave of Absence in writing;
- 2) applicable premiums must continue to be paid to AUL in accordance with the policy (see Section 6 - Premium Payment); and
- 3) Basic Monthly Earnings will be the amount last reported to AUL in writing and in effect prior to the date the Person's Leave of Absence began.

Continuation of Personal Insurance under this provision will cease on the EARLIEST of the following:

- 1) the date a Person dies;
- 2) the date a Person's coverage terminates for nonpayment of premiums;
- 3) the date a Person begins full or part-time employment with another employer;
- 4) the date this policy, or the Participating Unit's coverage under the policy, terminates;
- 5) the date a Person notifies the Participating Unit that he will not be returning to Active Work;
- 6) the date a Person's class is no longer offered under the policy;
- 7) the date a Person no longer qualifies for an eligible class, as stated on the Schedule of Benefits;
- 8) the date a Person requests termination of coverage under the policy, but not prior to the date of request.

All terms and conditions of the Group policy will apply during the approved continuation period provided under this Section, unless otherwise stated. While Personal Insurance is being continued under this Section, the Person will be considered exempt from the requirements listed below:

- 1) the Actively At Work definition; and
- 2) the applicable number of hours needed to meet the requirement for full-time Employee, as described in the Eligible Classes on the Schedule of Benefits.

If the Participating Unit has approved more than one type of Leave of Absence for the Person during any one period, AUL will consider such leaves to be concurrent for the purpose of determining how long the Person's coverage may continue under the Group policy.

**SECTION 5D - CONTINUATION OF PERSONAL INSURANCE
DURING A LEAVE OF ABSENCE FOR ACTIVE MILITARY SERVICE**

LEAVE OF ABSENCE means the Person is absent from Active Work for a temporary period of time that has been agreed to in advance in writing by the Participating Unit.

CONTINUATION OF PERSONAL INSURANCE DURING A LEAVE OF ABSENCE FOR ACTIVE MILITARY SERVICE: If the Person is on a leave of absence for active military service as described under the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA) and applicable state law, the Person's coverage may be continued until the LATER of:

- 1) the length of time the coverage may be continued under the Group policy for an FMLA leave of absence; or
- 2) the length of time the coverage may be continued under the Group policy for a Leave of Absence other than an FMLA leave of absence.

Coverage continued under this Section is subject to the following requirements:

- 1) applicable premiums must continue to be paid to AUL in accordance with the policy (see Section 6 - Premium Payment); and
- 2) Basic Monthly Earnings will be the amount last reported to AUL in writing and in effect prior to the date the Person's Leave of Absence for active military service began.

Continuation of Personal Insurance under this provision will cease on the earliest of the following:

- 1) the date a Person dies;
- 2) the date a Person's coverage terminates for nonpayment of premiums;
- 3) the date a Person begins full or part-time employment with another employer;
- 4) the date the policy, or the Participating Unit's coverage under the policy, terminates;
- 5) the date a Person notifies the Participating Unit that he will not be returning to Active Work;
- 6) the date a Person's class is no longer offered under the policy;
- 7) the date a Person no longer qualifies for an eligible class, as stated on the Schedule of Benefits; or
- 8) the date a Person requests termination of coverage under the policy, but not prior to the date of request.

All terms and conditions of the policy will apply during the approved continuation period provided under this Section, unless otherwise stated. While Personal Insurance is being continued under this Section, the Person will be considered exempt from the requirements listed below:

- 1) the Actively At Work definition; and
- 2) the applicable number of hours needed to meet the requirement for full-time Employee, as stated in the Schedule of Benefits.

If the Participating Unit has approved more than one type of Leave of Absence for the Person during any one period, AUL will consider such leaves to be concurrent for the purpose of determining how long the Person's coverage may continue under the policy.

SECTION 6 - PREMIUM PAYMENT

PREMIUM PAYMENTS: As provided in the Subscription Agreement, the Participating Unit is responsible for properly and accurately remitting premiums to AUL on or before the Due Date. All premiums will be calculated and paid in U.S. dollars. At the request of the Participating Unit and AUL's written approval, the interval of premium payments may be changed. Payment of premiums does not maintain the insurance in force beyond the end of the period for which they were paid, except as provided under the Grace Period provision. Premiums shall be paid by the Person, and may be paid by means of payroll deduction administered by the Participating Unit. Overpayment of premiums will not result in increases in any coverage amounts for the Participating Unit or Persons eligible for benefits under the Group Policy.

Premiums for a Person's coverage under the Group Policy shall be charged from the Person's Individual Effective Date of Insurance.

Premiums will cease on a Person's Individual Termination date. If a Person is Disabled on his Individual Termination date and is eligible for Extended Benefits, premiums will be waived according to the Waiver of Premium provision.

PREMIUM RATES: AUL reserves the right to change premium rates on any date:

- 1) after the Participating Unit's coverage has been in effect for 2 years, by giving written notice to the Participating Unit at least 31 days before the date the change becomes effective;
- 2) the eligibility and/or benefit provisions of the Participating Unit are changed;
- 3) the number of Persons insured through the Participating Unit changes by 25% or more; or
- 4) a subsidiary or affiliate is added to, or deleted from, the Participating Unit's coverage under the Group Policy.

Monthly premiums for each Person will change automatically following attainment of each new age bracket. The above manner of charging premiums applies only to a Person's insurance that is terminating, but not the termination of a Participating Unit. Each premium payment will include adjustments in past premiums for changes that have not previously been taken into account.

WAIVER OF PREMIUM: Premium payments will be waived for a Disabled Person at the beginning of the Elimination Period. Premiums will continue to be waived during any period that Monthly Benefits are paid to a Person insured by the Group Policy or *any* AUL Group Long Term or Short Term Disability Income policy, if those policies were made available to the Person through employment with the Participating Unit. Premiums for coverage under the Group Policy will be waived as described in this provision, provided the Disability claim is approved by AUL.

SECTION 7 - GENERAL POLICY PROVISIONS

AMENDMENT AND CHANGES: The Group Policy may be amended in writing by mutual agreement between the Group Policyholder, the Participating Unit and AUL, but without prejudice to any loss incurred prior to the effective date of the amendment. No change in the Group Policy is valid until approved by the Chief Executive Officer, President or Secretary of AUL. No agent has the authority to change the Group Policy or waive any of its provisions.

ASSIGNMENT: No assignment of any present or future right, or benefit under the Group Policy, will bind AUL without its prior written consent.

CERTIFICATES: AUL will issue a certificate for delivery by the Participating Unit to the insured Persons. The certificate will summarize the coverage available under the Group Policy and will state:

- 1) the benefits provided; and
- 2) to whom the benefits are payable.

If there is any discrepancy between the provisions of any certificate and the provisions of the Group Policy, the provisions of the policy will govern.

CLERICAL ERROR: Clerical error on the part of the Participating Unit or AUL will not invalidate insurance otherwise in force nor continue insurance otherwise terminated.

CONFORMITY WITH STATE LAWS: Any provision of the Group Policy in conflict with the laws of the state in which it is delivered, is amended to conform to the minimum requirements of those laws.

DATA AND RECORDS: The Group Policyholder and Participating Unit must furnish all information that AUL reasonably requires. The Participating Unit must furnish all relevant information to AUL about Persons:

- 1) who qualify to become insured;
- 2) whose amounts of insurance or earnings change; and
- 3) whose insurance terminates.

At any reasonable time, AUL or its representatives shall have the right to inspect the records of the Group Policyholder or Participating Unit that, in the opinion of AUL, may have a bearing on the insurance coverage provided under the Group Policy.

SECTION 7 - GENERAL POLICY PROVISIONS

ENTIRE CONTRACT: The Group Policy and the applications of the individuals, the Participating Units, and the Group Policyholder constitute the entire contract.

GRACE PERIOD: If the Participating Unit or AUL does not give notice in writing that coverage under the Group Policy is to be terminated, a Grace Period of 31 days will be granted for the payment of any premiums falling due after the first premium. During the Grace Period the Participating Unit's coverage under the Group Policy will continue in force but will automatically terminate on the last day of the Grace Period. The Participating Unit is liable to AUL for payment of a premium for the days of grace during which the Participating Unit's coverage under the Group Policy remains in force. However, AUL is not obligated to pay claims incurred during the Grace Period until the premium due is received.

INSURANCE FRAUD: AUL wants to ensure that its customers do not incur additional insurance costs as a result of the act of insurance fraud. Applicable state laws require AUL to undertake measures to detect, investigate and prosecute fraud.

Anyone that knowingly completes an application for insurance or statement of claim containing any materially false information or facts, with the intent to deceive, conceal or mislead is committing a fraudulent insurance act. This is a crime and may subject such Persons to criminal and civil penalties.

MISSTATEMENT OF FACTS: If the age or any other fact that affects the benefits for a Person or Participating Unit has been misstated, the benefits will be payable based on the true facts. Premium adjustments will be made so that AUL will receive the actual premium amount required based on the true facts.

RELATIONSHIP: AUL and the Participating Unit are, and will remain, independent contractors. Nothing in the Group Policy shall be construed as making the parties joint venturers or as creating a relationship of employer and employee, master and servant or principal and agent. Neither party has any power, right or authority to bind the other or to assume or create any obligation or responsibility on behalf of the other. AUL and the Participating Unit each retain exclusive control of their time and methods to perform their respective duties. AUL and Participating Unit will employ, pay and supervise their own employees and pay their own expenses during the term of the Group Policy.

STATEMENTS MADE IN AN APPLICATION: All statements made by the Participating Unit or insured Persons shall be deemed representations and not warranties. No such statements will be used to reduce or deny any claim or to cancel the Person's coverage unless:

- 1) the statement is in writing; and
- 2) a copy of that statement is given to the Person or to his Eligible Survivor.

TIME LIMIT ON CERTAIN DEFENSES: Except in the case of fraud, no statement made by the Person relating to his insurability will be used to contest the insurance for which the statement was made after the Person's coverage has been in force for two (2) years.

WORKER'S COMPENSATION AND WORKMEN'S COMPENSATION NOT AFFECTED: The Group Policy is not in lieu of, and does not affect, any requirement for coverage by Worker's or Workmen's Compensation Insurance.

SECTION 7A - CLAIM PROCEDURES

INITIAL NOTICE OF DISABILITY: Written notice of Disability must be given to AUL during the Elimination Period. If written notice cannot be made without the fault of the claimant, AUL must be notified as soon as it is reasonably possible to do so. Written notice should contain sufficient information to identify the Person. Notices are not considered given until received by AUL at its Home Office in Indianapolis, Indiana.

CLAIM FORMS FOR PROOF OF LOSS: Upon receipt of the Initial Notice of Disability, AUL will furnish the Person with any necessary claim forms. These forms must be properly, accurately and truthfully completed and returned to AUL. If, for any reason, the Person does not receive a claim form within 15 days of request, the Person should submit written proof of Disability. The initial claim form or proof of Disability must show:

- 1) claimant's name;
- 2) Employer's name and address;
- 3) Group number;
- 4) the date Disability started;
- 5) the cause of Disability; and
- 6) the seriousness of the Disability.

The initial claim form or proof of Disability must be signed by a Physician and sent to AUL within 90 calendar days of the end of the Elimination Period. If it is not possible to give proof within these limits, it must be given as soon as reasonably possible. Proof of claim may not be given later than one year after the time proof is otherwise required.

AUL will also periodically send the Person additional claim forms or requests for information necessary to determine eligibility for benefits under the Group Policy. These subsequent claim forms and requests for information must be returned to AUL within 30 days after the Person receives them.

PHYSICAL EXAMINATION: AUL, at its own expense, has the right to have a Person examined to determine the existence of any Disability that is the basis for a claim. This right may be exercised as often as is reasonably necessary, as determined by AUL, and must be performed by a Physician of AUL's choice.

LEGAL ACTION: No legal action may be brought to obtain benefits under the Group Policy;

- 1) for at least 60 days after proof of loss has been furnished; or
- 2) before any denial or reduction of benefits by AUL has been appealed properly in writing; or
- 3) beyond the expiration of the applicable statute of limitations from the time proof of loss is required to be given.

TIME OF PAYMENT OF CLAIMS: When AUL receives a claim form or proof of Disability, benefits payable under the Group Policy will be paid monthly during any period for which AUL is liable.

PAYMENT OF CLAIMS: All benefits, other than any survivor benefits, are payable to a Person. If a Person dies before a benefit to which he was entitled is paid, AUL has the right to pay up to \$1,000 to any of the Person's relatives to whom AUL considers entitled to such benefits. If AUL pays benefits in good faith to a person who it considers entitled to such benefits, then AUL will have no obligation to pay such benefits again. The Monthly Benefit will be calculated and paid in United States dollars, and when necessary, it will be based on the exchange rate effective on the first day of the Elimination Period.

SECTION 7A - CLAIM PROCEDURES

RIGHT TO APPEAL: If a Person wishes to appeal AUL's decision, claimants are allowed 180 days following receipt of a notification of an adverse benefit determination within which to appeal the determination. Claimants are allowed the opportunity to submit written comments, documents, records and other information relating to the claim for benefits. The claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the claimant's claim for benefits. Whether a document, record or other information is relevant to a claim for benefits shall be determined by reference to paragraph (m)(8) of 29 C.F.R. Section 2560.503-1. AUL's review will take into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination. A claimant has a right to obtain the information about any voluntary appeal procedures offered by the plan described in paragraph (c)(3)(iv) of 29 C.F.R. Section 2560.503-1 and has a right to bring an action under section 502(a) of ERISA. A final determination will be provided pursuant to 29 C.F.R. Section 2560.503-1.

ARBITRATION: Any controversy or claim arising out of or relating to the Group Policy, the sale or solicitation of the Group Policy, or its breach thereof whether in tort, contract, breach of duty (including but not limited to) any alleged fiduciary, good faith and fair dealing duties, shall be decided by arbitration in accordance with the Federal Arbitration Act, the procedures of the commercial arbitration rules of the American Arbitration Association, and this agreement. The Court of Arbitrators, which is to be held in the county seat where the insured resides, shall consist of three (3) arbitrators familiar with employee welfare benefit plans. The selection of the arbitrators shall be conducted within thirty (30) days after proper service of a demand for arbitration. One of the arbitrators shall be appointed by AUL, one by the insured, and the third shall be selected by the first two appointees prior to the beginning of arbitration. Should the two arbitrators be unable to agree upon the choice of a third, the appointment shall be left to the President or any Vice President of the American Arbitration Association. The arbitrators shall decide by a majority of votes, the award shall be in writing, the decision shall be signed by a majority of the arbitrators, and they shall include a statement regarding the reasons for the disposition of any claim. Judgment on the award rendered by the arbitrators may be entered by any court having jurisdiction thereof. The parties are not precluded from challenging the decision under the Federal Arbitration Act or applicable law. Unless not allowed under applicable law, each party shall bear the expense of its own attorney and arbitrator, and shall share equally with the other party the expenses of the third arbitrator and of the arbitration.

The parties agree that AUL is engaged in interstate commerce, and the transaction is governed by the Federal Arbitration Act, 9 U.S.C. Sections 1-16.

Consistent with the expedited nature of arbitration, each party will, upon the written request of the other party, promptly provide the other with copies of documents relevant to the issues raised by any claim or counterclaim on which the producing party may rely in support of or in opposition to any claim or defense. Any dispute regarding discovery, or the relevance or scope thereof, shall be determined by the arbitrator(s), which determination shall be conclusive. All discovery shall be completed within sixty (60) days following the appointment of the arbitrator(s) or longer following mutual agreement by the parties.

SECTION 7A - CLAIM PROCEDURES

RIGHT OF RECOVERY: If benefits have been received for which the Person was not entitled to receive under the Group Policy, then full reimbursement to AUL is required. Such reimbursement is required whether the overpayment is due to intentional or innocent misrepresentations by the Person, intentional or innocent misrepresentations by an entity supplying AUL with information, a claims processing error or miscalculation by AUL or for any other reason. If reimbursement is not made, then AUL has the right, as allowed under law to:

- 1) reduce future benefits or any amounts payable under the Group Policy until full reimbursement is made, and
- 2) recover such overpayments from the Person, his beneficiary, or his estate.

If AUL chooses not to use benefit payments towards the reimbursement, this will not constitute a waiver of AUL's rights to reimbursement. This provision will be in addition to, and not in lieu of, any other compensation available to AUL by law.

SUBROGATION RIGHTS: AUL has the right to be subrogated to any rights a Person may have against a Third Party. AUL may, at its option, bring legal action to recover benefits it paid in connection with a Person's Disability. AUL may do this if a Person:

- 1) suffers a Disability and, because of any act or omission of a Third Party, becomes entitled to and is paid benefits under the Group Policy; and
- 2) does not initiate legal action for the recovery of such benefits from the Third Party within a reasonable period of time.

SECTION 8 - INSURING PROVISIONS

MONTHLY BENEFIT PAYMENTS: AUL will pay Disability benefits, according to the Group Policy, if a Person becomes Disabled while insured by the Group Policy. AUL must receive proof that a Person is Disabled due to Sickness or Injury and requires the Regular Attendance of a legally qualified Physician. AUL will pay the Person a Monthly Benefit after the Person satisfies the Elimination Period. The Elimination Period may be satisfied by Total Disability, Partial Disability, or a combination of both.

The Monthly Benefit will be paid as long as Disability continues; provided that proof of continued Disability is submitted to AUL upon request and the Person is under the Regular Attendance and care of a Physician. The proof must be submitted at the Person's expense. Monthly Benefits will not be paid during any period that a Person is incarcerated in a penal or correctional institution.

The Monthly Benefit will not exceed the Maximum Monthly Benefit, nor will it be payable for longer than the Maximum Benefit Duration. The Maximum Monthly Benefit and the Maximum Benefit Duration are stated in the Schedule of Benefits.

PRORATING OF MONTHLY BENEFIT: The eligible Monthly Benefit will be paid on a monthly basis. For any period of Disability less than one month, the Monthly Benefit will be paid on a pro-rata basis at the rate of 1/30 per day.

REDUCTIONS TO THE MONTHLY BENEFIT: Other Income Benefits will reduce the Monthly Benefit as defined in this certificate. The Social Security Integration Method used is stated in the Schedule of Benefits.

MONTHLY BENEFIT: To figure the amount of the Total Disability Benefit, take the Person's Basic Monthly Earnings multiplied by the benefit percentage stated in the Schedule of Benefits and reduce the result by Other Income Benefits.

SECTION 8 - INSURING PROVISIONS

LUMP SUM PAYMENTS: Other Income Benefits that are paid in a lump sum, excluding benefits received from the Employer's Retirement Plan, will be prorated by AUL over the stated period of time the lump sum was projected to apply. Lump sums projected to cover the Person's life expectancy will be prorated based on appropriate actuarial tables. If the projected period of time that a lump sum is intended to cover is not stated, the lump sum will be prorated over a period of 60 months.

A lump sum payment from an Employer's Retirement Plan will be prorated over 60 months. However, if such lump sum is rolled to an annuity or retirement account that does not pay a benefit prior to the end of the Maximum Benefit Duration stated in the Schedule of Benefits, then the Gross Monthly Benefit will not be reduced by that lump sum payment.

Regardless of how benefits from the Employer's Retirement Plan are distributed, AUL will treat contributions made by the Person and Participating Unit as if they were distributed simultaneously throughout the Person's lifetime.

APPLICATION FOR OTHER INCOME BENEFITS: If the Person, spouse or Child (ren) are or become eligible for any Other Income Benefit, they must:

- 1) apply for the Other Income Benefits; and
- 2) appeal any denial for the Other Income Benefit that appears unreasonable.

Until approval or denial of any Other Income Benefits, AUL will make payments under either Method A or B below, as chosen by the Person in a written agreement provided by AUL.

Method A: AUL will estimate the Other Income Benefits that will be received and reduce the regular Monthly Benefit by this amount. If Other Income Benefits are estimated, the Person's regular Monthly Benefit will be adjusted when AUL receives proof of the amount awarded or that benefits have been denied. If the application is denied, the amount withheld based upon estimates will be returned to the Person in a lump sum. During subsequent appeals of denial of benefits Method B will be used.

Method B: AUL will pay the regular Monthly Benefit after the Elimination Period, with no reduction for estimated benefits, until the appropriate entity reaches a decision. When a decision is reached, the Person must send AUL a copy of the determination and reimburse AUL for any overpayment made as a result of that decision, regardless of whether or not the coverage is still in force on the date the Person recovers such amount. Additionally, if an award is made, AUL will reduce the Monthly Benefit by the amount of the Other Income Benefits the Person received, in accordance with the terms of the Group Policy. If the Person chooses Method B and has not applied for the Other Income Benefits for which he may be entitled, the Person must agree to apply for such benefits immediately. If the Person does not apply for the Other Income Benefits immediately, AUL will automatically use Method A.

SECTION 8 - INSURING PROVISIONS

SOCIAL SECURITY APPLICATION ASSISTANCE. When AUL determines that a Person is a likely candidate for Social Security Disability Insurance (SSDI), AUL may assist the Person with the application process for these benefits.

Upon written request, a representative from AUL's Group Claims Department may supply pertinent information to the Person about:

- 1) eligibility for SSDI benefits;
- 2) how to begin the application process;
- 3) how to submit an appeal
- 4) guidelines established by the Social Security Administration for submitting appeals; and
- 5) names of organizations offering assistance.

SECTION 8 - INSURING PROVISIONS

MINIMUM MONTHLY BENEFIT: While a Monthly Benefit is payable under the Group Policy, the Monthly Benefit shall not be reduced to an amount less than the minimum Monthly Benefit indicated in the Schedule of Benefits.

COST OF LIVING ADJUSTMENT FREEZE: If the Person receives a cost of living increase, with regard to Other Income Benefits, after the date benefits actually become payable under the Group Policy, the Monthly Benefit will not be further reduced by such cost of living increase. For purposes of this provision, a cost of living increase is any annual increase reasonably related to the annual increase in any generally recognized cost of living measurement that applies to all Persons who are entitled to receive such benefits.

TERMINATION OF THE MONTHLY BENEFIT: The Monthly Benefit will cease on the EARLIEST of the following:

- 1) the date Current Monthly Income equals or exceeds 80% of the Indexed Pre-disability Earnings;
- 2) the date that the Person ceases to be Disabled;
- 3) the date the Person dies;
- 4) the date the Maximum Benefit Duration stated in the Schedule of Benefits is completed;
- 5) the date the Person fails to give AUL required proof of Disability;
- 6) the date the Person refuses to allow an examination requested by AUL;
- 7) the date the Person is no longer under the Regular Attendance and care of a Physician;
- 8) the date the Person refuses to provide any evidence required by AUL to verify the Person's Current Monthly Income; and
- 9) the date the Person leaves the United States or Canada and establishes his residence in any other country. A Person will be considered to reside outside these countries when the Person has been outside the United States or Canada for a total period of 6 months or more during any 12 consecutive Monthly Benefit payments.

ACCUMULATION OF ELIMINATION PERIOD: For the purposes of accumulating the Elimination Period the following will apply:

- 1) For Participating Units with Elimination Periods of 90 days or more, if Disability ceases during the Elimination Period for not more than 30 days, then the Disability will be treated as continuous.
- 2) For Participating Units with Elimination Periods of 60 days, if Disability ceases during the Elimination Period for not more than 20 days, then the Disability will be treated as continuous.
- 3) For Participating Units with Elimination Periods of 30 days, if Disability ceases during the Elimination Period for not more than 10 days, then the Disability will be treated as continuous.
- 4) Days that the Person is not Disabled under either (1), (2), or (3) above will not count toward the Elimination Period.

The ACCUMULATION OF THE ELIMINATION PERIOD provision is only applicable as long as the Participating Unit's coverage remains in force with AUL.

SECTION 8 - INSURING PROVISIONS

RESIDUAL BENEFIT: If the residual benefit is elected by the Participating Unit, then the Elimination Period can be met using Total Disability, Partial Disability, or a combination of both. Vacation pay, salary continuation and/or sick leave pay will not be considered Current Monthly Income during the Elimination Period under this benefit.

SECTION 8 - INSURING PROVISIONS

RECURRENT DISABILITY: If, after a period of Disability for which benefits are payable, the Person resumes his Regular Occupation on a full-time basis and performs each Material and Substantial Duty of that occupation for a continuous period of six (6) months or more, any Recurrent Disability will be part of a new period of Disability and a new Elimination Period must be completed before any further Monthly Benefits are payable.

If the Person resumes his Regular Occupation on a full-time basis and performs each Material and Substantial duty of that occupation for less than six (6) months, a Recurrent Disability will be part of the same period of Disability. The Recurrent Disability must be the direct result of the Injury or Sickness that caused the prior Disability. The Person will not have to complete a new Elimination Period. Benefit payments will be subject to the terms of the Group Policy for the prior Disability. The benefit will be based on the amount of Basic Monthly Earnings in effect immediately prior to the original Elimination Period.

In order to prevent over-insurance because of duplication of benefits, benefits payable under the Recurrent Disability provision will cease if benefits are payable to the Person under any other group long term disability policy.

The Recurrent Disability provision in this Section is only applicable as long as the Participating Unit's coverage remains in force with AUL.

SECTION 8 - INSURING PROVISIONS

PRESUMPTIVE DISABILITY: When a Person is Disabled and his Current Monthly Income is 20% or less than his Indexed Pre-Disability Earnings, AUL will not reduce the Monthly Benefit by Current Monthly Income.

BENEFITS WHILE PARTIALLY DISABLED: When proof is received that a Person is Partially Disabled, then the Return To Work and Partial Disability Benefits apply. Benefits are payable following completion of the Elimination Period. The Partial Disability must be the direct result of the Injury of Sickness that caused the Disability immediately preceding it.

RETURN TO WORK BENEFIT: While Partial Disability continues, this benefit applies until the EARLIER of:

- 1) the end of the 12 month period following Return to Work beginning on the first day that the Monthly Benefit is payable for Partial Disability; or
- 2) the end of the number of months that is one-half of the Maximum Benefit Duration.

Under this Return To Work Benefit, Current Monthly Income will not reduce the Monthly Benefit, unless the Current Monthly Income, combined with income from all other sources including the Monthly Benefit, exceeds 100% of the Pre-Disability Earnings. If the combined income exceeds this amount, the Monthly Benefit will be reduced by any amount that is in excess of 100% of the Pre-Disability Earnings.

PARTIAL DISABILITY BENEFIT: The benefit for Partial Disability will be calculated as: $a \times b \times 70\%$ where:

- a = Basic Monthly Earnings less Other Income Benefits a Person receives while he is Partially Disabled; and
- b = Gross Monthly Benefit divided by the benefit percentage stated on the Schedule of Benefits divided by the Basic Monthly Earnings.

Benefits for Return to Work and Partial Disability will never exceed the Person's Maximum Monthly Benefit, nor be less than the Minimum Monthly Benefit as shown on the Schedule of Benefits. The Return to Work Benefit and the Partial Disability Benefit will continue as shown above until the EARLIEST of the date:

- 1) the Person ceases to be Partially Disabled;
- 2) the Person dies;
- 3) the Maximum Benefit Duration, as shown on the Schedule of Benefits, is completed;
- 4) the Person fails to give AUL required proof of Disability;
- 5) the Person refuses to allow an examination requested by AUL;
- 6) the Person is no longer under the Regular Attendance and care of a Physician;
- 7) the Person refuses to provide any evidence required by AUL to verify the Person's Current Monthly Income; or
- 8) the Person leaves the United States or Canada and establishes his residence in another country. A Person will be considered to reside outside these countries when the Person has been outside the United States or Canada for a total period of 6 months or more during any 12 consecutive months of benefits.

For purposes of the Return To Work Benefit and the Partial Disability Benefit provisions, Pre-Disability Earnings will be increased annually using the Consumer Price Index. The increase will be effective on the July 1st following the first 12 consecutive calendar months of Disability and on each subsequent July 1st. The annual increase is only to determine eligibility and will not increase the Return to Work Benefit or Partial Disability Benefit.

AUL may require any evidence needed to verify the Person's earnings and proof of continuing Disability.

SECTION 8 - INSURING PROVISIONS

SURVIVOR BENEFIT: AUL will pay a lump sum benefit to the Eligible Survivor when proof acceptable to AUL, is received that the Person died:

- 1) after Disability had continued for 180 or more consecutive days; and
- 2) while the Person was receiving a Monthly Benefit.

The lump sum benefit will be an amount equal to three (3) times the Person's last Gross Monthly Benefit.

If payment of a lump sum benefit becomes due to the Person's Child(ren) as an Eligible Survivor, payment will be made to the Child(ren) or to a Person entitled to receive payments on behalf of the Child(ren) under applicable law. Payment to such Person will be valid and effective against all claims of others representing or claiming to represent the Child(ren).

If there are no Eligible Survivors, then no lump sum benefit will be paid.

SECTION 9 - EXCLUSIONS

GENERAL EXCLUSIONS: The Group policy does not cover any Disability caused by, contributed to by, or resulting from:

Benefits will not be paid if the Person's Disability begins in the first 12 months following the effective date of the Person's coverage; and the Person's Disability is caused by, contributed to by, or the result of a condition, whether or not that condition is diagnosed at all or is misdiagnosed, for which:

- 1) the Person received medical treatment, consultation, care or services, including diagnostic measures, or was prescribed drugs or medicines in the 3 months just prior to the Person's Individual Effective Date of Insurance; or

DRUG AND ALCOHOL ABUSE LIMITATION: Monthly Benefits for Disability due to drug and alcohol abuse, whether or not benefits were originally sought because of the condition, will not be payable beyond the Maximum Benefit Duration. In addition, if the Maximum Benefit Duration is longer than 24 months, benefits for Disability due to drug and alcohol abuse will not exceed 24 months of Monthly Benefit payments. Benefit payments for Disabilities due to drug and alcohol abuse are cumulative for the lifetime of the contract.

The Monthly Benefit may be paid beyond 24 months if:

- 1) the Person is in a hospital or institution at the end of the 24 month period; and

 - a) during the Elimination Period; or

The Monthly Benefit will be payable until the Person is discharged. If Disability continues after discharge, the Monthly Benefit will be payable for a recovery period not to exceed 90 days.

If the Person is re-confined in a hospital or institution for the same Sickness or Injury which caused the Disability, the Monthly Benefit will be payable during the re-confinement if:

- 1) it begins during the recovery period; and
- 2) it is for at least 14 consecutive calendar days.

If Disability continues after the Person is discharged from such a re-confinement, the Monthly Benefit will be payable for a final recovery period not to exceed 90 days.

For any period of confinement beyond those stated above, the Monthly Benefit will continue to be payable:

- 1) only if confinement is for at least 14 consecutive calendar days;

AUL will not apply the Mental Illness Limitation to a Disability due to dementia if it is a result of:

- 1) stroke;
- 2) trauma;
- 3) viral infection; or
- 4) Alzheimer's disease.

SECTION 12 - CONTINUITY OF COVERAGE

This section applies only when coverage under the Group Policy replaces a Participating Unit's Prior Plan of long or short term disability insurance, which terminated on the day before the Participating Unit's Effective Date of coverage under the Group Policy. A Prior Plan must be replaced with the same type of coverage, long term for long term and short term for short term. This Section applies only to Persons insured under the Participating Unit's Prior Plan on its termination date.

Continuity of Coverage applies to a Person who would not get full coverage under the Group Policy because of the following situations:

- 1) failure of the Person to be Actively At Work due to Disability on the effective date of the Participating Unit's coverage under the Group Policy; or
- 2) a Pre-Existing Condition limitation or exclusion of the Group Policy.

BENEFITS FOR A PERSON WHO FAILS TO BE ACTIVELY AT WORK DUE TO TOTAL DISABILITY:

The Group Policy will cover, subject to proper premium payments, a Person who:

- 1) was insured under the Prior Plan on its termination date; and
- 2) is not Actively At Work due to Disability on the effective date of the Participating Unit's coverage under the Group Policy.

Coverage under this provision will begin on the Participating Unit's effective date under the policy and will continue until the EARLIEST of:

- 1) the date the Person returns to Active Work; or
- 2) the end of any period of continuance or extension provided under the Prior Plan; or
- 3) the date coverage would otherwise end, according to the provisions of the AUL policy.

The benefits payable will be the same as the Prior Plan would have paid, had coverage remained in force, less any amount for which the Prior Plan is liable.

This Section of the Continuity of Coverage Provision does not establish eligibility for such a Person under the Group Policy. Eligibility can only be met when the Person returns to full-time Active Work as described in the Eligibility, Enrollment and Individual Effective Date of Insurance Section.

BENEFITS PAYABLE FOR A DISABILITY DUE TO A PRE-EXISTING CONDITION:

Benefits may be payable for a Disability due to a Pre-Existing Condition for a Person who:

- 1) was insured by the Prior Plan on its termination date; and
- 2) has been continuously covered under the AUL policy from the effective date of the Participating Unit's coverage under the policy through the date the Person's Disability began.

The benefit payable will be determined by applying the Group Policy's Pre-Existing Condition Limitation. If the Injury or Sickness that caused the Person's Disability is not subject to the Pre-Existing Condition Limitation of the Group Policy, as elected by the Participating Unit, then the Person will be paid the benefits of the Group Policy as elected by the Participating Unit.

SECTION 12 - CONTINUITY OF COVERAGE

If the Injury or Sickness that causes the Person's Disability is subject to the Pre-Existing Condition limitation of this Certificate, and such Injury or Sickness is not excluded under the Prior Plan's Pre-Existing Condition exclusion or limitation, giving consideration for continuous time the Person is covered under both plans, the Person will be paid the lesser of:

- 1) the benefits of the Group Policy determined without application of the Pre-Existing Condition limitation; or
- 2) the benefits of the Prior Plan.

If the Injury or Sickness is excluded under the Prior Plan's Pre-Existing Condition exclusion, giving consideration for continuous time the Person is covered under both the Prior Plan and the Group Policy, the Pre-Existing Limitation of this Certificate will apply.

SECTION 13 - PORTABILITY PRIVILEGE

If a Person's insurance under the Group Policy terminates for any reason other than stated below, the Person is entitled to continue his coverage for 12 months without submission of Evidence Of Insurability. To be eligible for this Privilege, the Person must have been insured under the Group Policy for at least twelve consecutive months just before insurance under the Group Policy terminated.

This Portability Privilege provides the same coverage that the Person had immediately prior to the date of his termination. Any benefits payable are governed by the Group Policy according to the provisions and benefits elected by the Participating Unit and stated in the Schedule of Benefits. However, the Maximum Benefit Duration will be the lesser of:

- 1) two (2) years; or
- 2) the Maximum Benefit Duration in effect immediately prior to the date of his termination.

This Portability Privilege is subject to the following:

- 1) written application for Portability must be made within 31 calendar days after termination of insurance under the Group Policy;
- 2) payment of the initial correct amount of premium;
- 3) the premium is based on the Person's age and the premium rate in effect on the date of application for Portability; and
- 4) the effective date for the Person under the Portability Privilege is the date immediately following the date of his termination.

The Portability Privilege is not available to any Person:

- 1) whose insurance under the Group Policy terminates for any of the following reasons:
 - a) the Person enters a class of Employees that are not eligible for coverage under the Group Policy;
 - b) the Person retires (when the Person receives payment from any Employer's Retirement Plan as recognition of past services or has concluded his/her working career); or
 - c) the Person failed to pay any required premium;
- 2) who is or becomes insured for any other group long or short term disability policy which provides coverage similar to the type of coverage provided by the Group Policy within 31 days after termination under the Group Policy;
- 3) who is Disabled under the terms of the Group Policy; or
- 4) who is on leave of absence.

Insurance under the Portability Privilege will terminate on the earliest of the following dates:

- 1) the last day for which any required premium has been made;
- 2) the date the Person requests termination, but not prior to the date of the request;
- 3) the last day of a Coverage Month, provided that AUL has given at least 31 days prior written notice to the Person;
- 4) the date the Person retires;
- 5) the date the Group Policy terminates;
- 6) the date the Person enters active military service for any country, except for temporary duty of 30 days or less;
- 7) the date that coverage begins under any other group long or short term disability policy that provides coverage similar to coverage provided by the Group Policy;
- 8) the date following 12 months of coverage; or
- 9) the date the Person leaves the United States or Canada and establishes his residence in any other country. A Person will be considered to reside outside these countries when the Person has been outside the United States or Canada for a total period of 6 months or more during any 12 consecutive months of benefits.

SECTION 15 - MANDATORY REHABILITATION PROGRAM

Mandatory REHABILITATION PROGRAM: AUL's Rehabilitation Program is designed to assist a Person in returning to work. A Person's claim is reviewed and medical and vocational information is analyzed to determine if rehabilitation services might assist in this process.

AUL's Rehabilitation Program specialists, who coordinate with the Person's Physician and other specialists, complete an initial review. After this review, AUL may elect to offer and pay for a reasonable and necessary Rehabilitation Program. The Person must receive written approval from AUL before beginning any Program in order to be eligible for benefits under this Section. AUL will not reimburse unapproved or unnecessary rehabilitation expenses.

AUL's Rehabilitation Program may include coordination with other parties to:

- 1) assist in the Person's return to work;
- 2) evaluate adaptive equipment to allow the Person to work;
- 3) provide child care assistance during the Person's participation in a rehabilitation program;
- 4) provide vocational evaluation;
- 5) provide job placement services;
- 6) provide resume preparation;
- 7) provide job-seeking skills training;
- 8) provide retraining for a new occupation;
- 9) provide alternative treatment plans such as:
 - a) support groups;
 - b) physical therapy;
 - c) occupational therapy;
 - d) speech therapy;
 - e) exercise programs;
 - f) mental health programs; or
 - g) other medical rehabilitation programs.

If at any time the Person declines to take part or cooperate in a rehabilitation evaluation or program, that AUL determines is appropriate for his Disability and has been approved by his Physician, AUL may discontinue paying the Person a Monthly Benefit for Disability.

SECTION 16 - WORKPLACE MODIFICATION BENEFIT

WORKPLACE MODIFICATION means reasonable and necessary changes to a Person's work environment or to the way a Person's job is performed that enables the Person to return to full or part-time work for the Participating Unit.

WORKPLACE MODIFICATION BENEFIT: AUL may pay the expense for any reasonable and necessary modification to a Person's workplace to accommodate the Person's Disability and enable him to return to Active Work for the Participating Unit. The amount AUL may pay will not exceed the lesser of:

- 1) two times the Person's last Monthly Benefit payment; or
- 2) \$5,000.

To qualify for this Benefit:

- 1) a Person must be receiving a Monthly Benefit under the Group Policy;
- 2) the Participating Unit must agree to make reasonable and necessary modifications to the workplace that reasonably accommodates and enables a Person's return to work on a full or part-time basis; and
- 3) all proposed modifications and costs must be approved by AUL in advance and in writing prior to making any modification.

AUL may evaluate the appropriateness of a proposed modification.

AUL reserves the right, at its expense, to have a Person examined and evaluated by a Physician or other health care professional and a vocational expert or rehabilitation specialist of its choice, as frequently as it deems necessary.

If the Participating Unit incurs reasonable and necessary costs for AUL approved modifications, the Participating Unit will be reimbursed after:

- 1) proposed modifications made on the Person's behalf are completed;
- 2) written proof of incurred expenses for all modifications have been provided to and approved by AUL; and
- 3) the Person has returned to full or part-time employment with the Participating Unit.

This Benefit will not be payable if:

- 1) expenses were not incurred in making the actual modification;
- 2) AUL did not provide written approval for the modification or its cost prior to the expense;
- 3) the Person becomes self-employed or returns to work for an employer other than the Participating Unit;
- 4) the Person or Participating Unit is able to apply or receives reimbursement for any costs under any other governmental program, grant, insurance policy, law or settlement; or
- 5) the Person ceases to be Disabled before or during the Workplace Modification.

This benefit is available on a one-time basis, per Person.
