6. Discussions:

What criteria do we look at to choose what new programs to add?

Funding comes from State Department so we look at approved programs from the WVDE

If someone wanted us to start a new program, we would have to find a way to support it financially, come up with curriculum and then see if state department would approve it the following year.

Q- What is the time frame for that to happen?

One of our members suggested Robotic Welding as a program to add for high school.

We prepare students to go in workforce or college

A parent says she her son did not know about the Sports Medicine Class

Need counselors at the feeder schools to promote CTE for all students

Our goal is to get videos out on schoology to allow parents to see what all Carver offers.

Career quest- visit all the high schools to promote high school and adult programs.

Embedded English, Math and Science in some of our programs

Q:- Would it be helpful if parents go to LSIC to talk about Carver?

Recommendation to go to the area LSIC

Plan to go to the middle schools and talk to the 8th graders

Summer school program with middle school exposes students to CTE

Q- Why is the math not NCAA approved?

A- It is a basic math
