LTMS Weekly Update

Dear LTMS Families,

Thank you again for all your support. Please continue to check out updates on our website and the April newsletter released last week. We are doing our best to provide numerous resources to best support you during this time. Our goal for the remainder of the 2019-2020 school year is to continue providing planned virtual instruction during the 4th marking period. We will also continue to focus on, most importantly, your safety and maintaining relationships. Please encourage your student to be an active participant in their learning. Teachers will continue to reach out via email and online through their various learning management systems. Links to Zoom meetings or Zoom meeting codes and passwords will be sent via email or posted in Moodle/Google Classroom for security reasons. Please do not share Zoom information with students outside your class, in addition have your name displayed to ensure your teacher grants access, in lieu of a general "iPhone" or "iPad" name.

Please don't hesitate to reach out to us if you need anything. If you have technology issues, please submit a [Technology Helpdesk](#) ticket via our website. Times are challenging right now, but we are still here to support you. We thank you for your resilience while we continue to tweak the weekly schedule as we go, to best meet the needs of our students and staff. This is definitely an unprecedented time and patience and grace will get us through this together.

Thank you again for all you do!

Sincerely,

Mrs. Sekel, Principal
asekel@loyalsocklancers.org
