

Go Cashless!

Your school cafeteria offers an online payment system that speeds service for all students.

Credit Card

You can place money on your student's account using a credit card from your home computer. *Convenience fees do apply.*

Electronic Checking

This option allows you to use your checking account to add funds to your student's balance. There is a flat fee of \$1.75 for each deposit transaction.

Want To Avoid Convenience Fees?

Checks

The cafeteria can accept checks payable to your school district. Your student can bring the check to school and access that money the same day. Please be sure to put your student's name or student ID number in the memo section of your check. *Convenience fees do not apply.*

Good Old Cash

Of course, we continue to accept cash. Your student can direct us to put the change on their account. *Convenience fees do not apply.*

Prepayment means shorter lines and faster service with more time to relax and enjoy meals.

No need to find cash in the morning or worry about lost lunch money!

Visit your School District's website under Food Service for information on going cashless and your school's nutrition program.

Contact your school's Food Service Director for information on how to implement limits on your student's account.
