

Celebrating Music in our Schools Month!

This March is Music in our Schools Month, and the Modern Music Masters at Pemberton High School (Tri-M) are inviting you to join the celebration this month!

We are hosting an **Instrument Making contest** to Pemberton's **PreK-12** students!

Guidelines:

- ★ **Submit your video to Tri-M@pemb.org or <http://flipgrid.com/61a3fa8c>:**
 - Tell us your first and last name, grade, and what school you go to.
 - Explain what your instrument is, the tools and objects you used to create it.
 - Showcase how your instrument makes noise, if you can, create or play a song in your video.
- ★ **Playing a song:** This year's theme for MIOSM is "Music, the Sound of my Heart!" We suggest that (if you can) you play a song that comes from your heart, one that you really enjoy.
- ★ **BE CREATIVE!:** The student with the most creative instrument will be showcased on our school district's website and the creator will be given a Wawa gift card!
- ★ **Submit your video to Tri-M@pemb.org or <http://flipgrid.com/61a3fa8c> by March 19th, 2021**
