ATTENDANCE

<p>PLEASE CALL THE SCHOOL WHEN YOUR STUDENT IS ABSENT at the MHS main office 541/475-7265.</p>

Illness for a medically related reason is the only reason that qualifies as an "excused absence" from school. The following are some examples of **unexcused absences**: babysitting, home chores, hair appointments, shopping, missing the bus.

****You must call within 48-72 hours to excuse absences for a student. We will not excuse absences after that time period.**

The following are steps that MHS will take to encourage students to attend on a regular basis.

Please review the following policy:

1. An automated message of the class your student missed will be made to the parent/guardian. If the student missed the entire day the parent/guardian will be contacted that evening.
2. Students that demonstrate a pattern of unexcused absences will receive a letter delivered to the home stating the student has irregular attendance and must attend

school the following day. A school day will be considered four or more periods of absence.

3. If truancy/irregular attendance persists, a second warning letter, and phone call home will be sent or personally delivered to the home stating that the student needs to be in school the following day.
4. If students do not begin to attend on a regular basis, the parent and student will be summoned to meet with the Administrative Team to develop an attendance plan to help the students understand that the best way to be successful in school is to attend on a regular basis.
5. If parents fail to attend the meeting with the Administrative Team and/or their child does not begin to come to school on a regular basis after the meeting, the superintendent's designee (SRO) will cite the parent with a Class C felony and the parent will be required to go to court.

10-DAY ABSENCE RULE

10 consecutive absences will result in a drop from enrollment at MHS for Lack of Attendance. Students must come back into MHS and re-enroll with our counseling department to begin attending classes again. As required by law, parents or guardians who allow their student to abuse this policy will be referred to the District Attorney's office for their consideration of further action.
