

Manufacturing

This career deals with:

Preparing individuals to apply technical knowledge and skills in the production, maintenance, assembly, or repair of products.

Jobs in this area include:

- * Factory production worker
- * Welder
- * Electrical equipment installer
- * Quality control technician
- * Instrument maker
- * Sheet metal worker

FACTS ABOUT MANUFACTURING

MEP • MANUFACTURING
EXTENSION PARTNERSHIP

NIST

Do you like to...

- Put things together
- Work with metal
- Repair small machines
- Work inside year round
- Install/repair electronics and equipment
- Work with tools and controls
- Work with computers and data
- Work with chemicals
- Work with robotics
- Make furniture
- Make jewelry/pottery/ceramics
- Create new uses for materials

Common Skills in these careers...

-Operations Management: watching gauges, dials, or other indicators to make sure a machine is working properly

-Critical Thinking

-Operation & Control: controlling operations of equipment or systems

-Monitoring: assessing performance of yourself & others to make improvements or take corrective actions

-Coordination: adjusting actions in relations to other's actions

Quality Control Analysis: conducting tests and inspections of products, to evaluate quality or performance

The Manufacturing Cluster Career Pathways

There are 6 Career Pathways in the **Manufacturing** cluster :

- **Production** – Assembler, Machine Operator, Machinist, Welder, Packager
- **Manufacturing Production Process Development** – Designer, Electronic Technician, Engineer, Production Supervisor
- **Maintenance, Installation & Repair** – Maintenance Mechanic, Plumber, Electrician

The Manufacturing Cluster Career Pathways

- **Quality Assurance** – Calibration Technician, Lab Technician, Inspector, Quality Control Technician
- **Logistics & Inventory Control** – Dispatcher, Shipping Manager, Material Handler, Clerk
- **Health, Safety & Environmental Assurance** – Environmental Engineer, Safety Coordinator, Health & Safety Technician.

TRAINING REQUIRED FOR MANUFACTURING CAREERS

HIGH SCHOOL DIPLOMA

ON-THE-JOB TRAINING = 1 MONTH TO 2 YEARS

1-2 YEARS TECHNICAL/VOCATIONAL SCHOOL FOR CERTIFICATION

Cluster: Manufacturing**JG Career Pathway: Precision Machine Technology**

9	English 9	Algebra I (C level avail.)	ICP or Biology	Health/Dig Cit	Intro to Eng. Design (PLTW)	Physical Education	Prep for College & Careers/
10	English 10	Geometry/ Algebra II (C level avail.)	Biology or Chemistry	US History	Principles of Engineering	/Personal Financial Respons.	World Language
