### **PROJECT JACK GRANT**

Sometime in the near future, the 5th grade students will be taking part in a service project funded through a grant from "Project Jack," a pay it forward service program sponsored by the Iowa Association of Realtors. We will be making fleece "tie" blankets, which will be donated to places such as the Anamosa HACAP to be given to children in their Headstart program and families in need. We are very excited about sharing this experience with our students!

### **Conferences**

Conferences are next week!

These are student-led conferences so your child's attendance is **really** important as they are the ones leading the conference! :)

Now that sign up has started, please sign up for conferences with your child's Raider Round-Up Advisor as they will be the one with your child's conference folder and materials.
