Closing: It has been brought to our attention there may have been some concerns with the father/daughter dance not being inclusive.

Father /Daughter was changed to the sweetheart dance so that the girls could bring whom they wanted. Shortly after we started the Mother/Son event. 130 girls attended the dance with their sweethearts. How would we like to address these concerns?

- Maybe let the girls bring who they want to bring
- Add a third event to include everyone
- Maybe sweetheart dance should say bring a male role model
- add activities to the dance

We do not want to make changes without getting everyones opinion. We would never turn anyone away or want someone to not feel included. We will be thinking about these thing moving forward for next year.
