# HOW TO PLAY...

- **You will choose which character badges you want to earn during our game.**
- **To earn these character badges, you will need to perform the travel sequence that combines different movements and speeds in the form of laps.**
- **Try to earn as many badges as you can!**
- **Be honest with yourself and only collect the badges in which you have truly earned.**

# BEFORE YOU BEGIN...

- **Plan out a track around your space that you will use to perform your laps around.**
- **Your track should start and finish at your computer.**
- **Each new lap begins once you return to your computer.**
