

Mario Tag

By Collin Brooks @collinbrooksie

Students will come into the gym. 5 students will be selected to be Bowser and everyone else can choose to be Mario, Princess, or another character from super mario. When students are tagged by Bowser's staff (a pool noodle). They shrink and must duck walk to the a poly spot. Students must find a polyspot that has a giant green mushroom underneath it. When found students then grown to normal size.

Safety: When duck walking students must stay on their feet (no kneeling) eyes forward, and choose safe locomotor movements to slow down the game and prevent collisions.

Critical Elements of Duck Walk: Get low to the ground, Walk - flat footed, Keep eyes forward
