Add	Subtract

If you could spend \$3, or 300¢, which toys would you buy? Draw or glue them here:

Use this space to find the total cost for your toys:

Explain your work and the strategy you used to calculate the total cost of the toys.

## Unit 5, Activity 7, Writing Money Problems

Directions: Create your own "Pocket Full of Money" word problem. Select a handful of coins. List the coins in the pocket below. Write an addition or subtraction problem for the amount of money chosen.

minutes

\* After students have completed making their clocks, be sure to save them for use in the remaining activities for telling time.

I go to football practice at a quarter 'til 7. What time is it?	Lunch will be at half past 12. What time is it?	I woke up at 5 minutes before 9. What time is it?
The movie starts at	We went to the park	My friend came over
10 minutes after 6.	at a quarter past 4.	at 5 minutes after 2.
What times is it?	What time is it?	What time is it?
I went to bed at	We go to music at a	School is out at 20
half past 8.	quarter 'til 11.	minutes after 3.
What time is it?	What time is it?	What time is it?
The bus comes at 20	The party starts at	My baseball game is
minutes before 8.	10 minutes past 5.	at a quarter past 10.
What time is it?	What time is it?	What time is it?

Directions: In the ACTIVITY column, list activities that you do every day. In the TIME column, record the time that you do the activity (using times to the nearest 5 minutes.)

ACTIVITY	TIME
Wake up	
Eat breakfast	
Go to bed	

A	I go to dance at 7:00. It lasts one hour. What time is dance over?	
В	I go to football practice at 5:30. It lasts one hour. What time does football practice end?	
A	Lunch is over at 12:30. It is one hour long. What time does lunch start?	
В	My favorite T.V. show ended at 7:00. It was one hour long. What time did it start?	
A	I was one hour late for school. School starts at 8:15. What time did I get to school?	
В	My mom picked me up one hour early from school. School is over at 3:20. What time did my mom pick me up?	
A	I got to the party at 6:15. I stayed until 7:15. How many hours did I stay at the party?	
В	I went outside to play at 4:45. Mom called me to dinner at 5:45. How many hours did I play outside?
