Numbered Times Fourth Grade

April 12, 2020

A Little Bit of Humor

How do you keep warm in a cold room?

Go to the corner, it's always 90 degrees!

Angle and Plane Figures Test

Good Luck you are ready! Think before you submit!

Practice Multiplication Facts

Elapsed Time

Emily starts on-line learning at ten minutes past four and finishes at 5:49. How long did she

Do "school" for?
Explain how you found your answer in your notebook or email.

Practice Division

$$432 \div 4 =$$

$$758 \div 6 =$$

Map It Out

Record, draw, or take pictures of your hunt(s). You can email or document them in your notebook.

Create your own map using the following street names: First Street, Center Avenue, and Second Street. Your map must be made so that First Street and Second Street are parallel and Center Avenue and Second Street are perpendicular.
