**THE POSITION**

The Lowell School District seeks outstanding, highly qualified candidates for a full-time elementary math teacher position.

**POSITION SUMMARY**

This teacher will serve as a resource teacher to classroom teachers and instructs students in the knowledge, concepts, meaning, structure and application of mathematics commensurate with their learning level and learning rate. This teacher will also be responsible for providing a positive learning environment that promotes a high level of achievement for all students while considering the background and developmental level of the individual student.

**ASSIGNED RESPONSIBILITIES**

1. To provide leadership, development, and coordination in the Lowell School District math program.
2. Assists in defining staff development objectives through teacher consultation, assessment, and math instruction.
3. Identifies appropriate supplementary and alternative materials and resources for teachers.
4. Assists staff in designing effective instructional strategies for use with students.
5. Assists in collecting, organizing and analyzing data used in program evaluation.
6. Looks for and develops applications of mathematical operations and procedures in everyday life.
7. Conducts interesting and well-paced lessons for students, using a variety of instructional techniques, strategies and materials.
8. Matches activities and materials to individual and group skills and needs.
9. Identifies diagnoses and prescribes instruction for individual or group activities in mathematics.
10. Assists classroom teachers with student screening and evaluation.
11. Screens, tests and diagnoses the mathematics abilities of students.
12. Develops schedule of instruction for students in cooperation with classroom teachers.
13. Documents student progress and attainment.
14. Participates in staff development activities.

**Minimum Qualifications:**

Oregon Teaching License valid for assignment.

Elementary license with a basic math endorsement.

Previous experience (certified, classified, or nonpaid) teaching mathematics to students.

**Minimum Term of Employment:** One year Teacher Contract.

**Salary Level:** Placement on Teacher Salary Schedule.

**Evaluation:** Performance of this job will be evaluated in accordance with provisions of the Board's policy on Evaluation of Professional Personnel.

**TO APPLY:**

- Letter of interest stating your qualities and reasons for seeking this position
- Application\*
- Current resume
- Copy of Oregon Teaching license
- Copy of transcripts (may be unofficial)
- Three (3) current letters of reference, preferably from current and previous evaluators
- A written response to “Describe the role of the classroom teacher in ensuring quality instruction and academic success for all students.” Limit your response to three typed pages.
