Group 4: Experimental Sciences ⁴		Biology H	Chemistry H or Chemistry H & Physics H	<i>Chemistry Option</i> IB Chemistry SL / HL AP Chemistry (IB SL / HL 2) <hr/> <i>Biology Option</i> IB Biology SL AP Biology (IB) <hr/> <i>Physics Option</i> IB Physics SL AP Physics M (IB SL / HL 2)	
Group 5: Math ⁵	Algebra 2 H Geometry H Algebra 1 H	Pre-Cal H / AP Stats Algebra 2H Geometry H Algebra I H	AP Stats / AP Cal AB Pre-Cal H / AP Stats Algebra 2 H Geometry H & Algebra 2 H	AP Cal BC AP Cal BC Pre-Cal H Pre-Cal H	IB Math SL / HL IB Math SL / HL IB Math SL IB Math SL
Group 6: Electives ⁶			Any required pre-requisite courses	IB Music SL Students may repeat any area from Groups 2, 3, or 4	
TOK				1 st or 2 nd semester	Year-long
SC Graduation Requirements	Students must also earn 1 unit in either PE / NJROTC, Computer Science and Fine Arts. It is recommended, but not required for students to have completed these classes by the end of 10 th grade.				

¹ Students who have not taken ELA 1 must complete that course prior to 9th grade or take H. ELA 2 over the summer.

² Students who wish to study 2 languages should plan for their 2nd language to count for Group 6. Students may take AP Language in conjunction with IB Language.

³ Students who wish to take both IB History and Psychology should plan to use Psychology as their Group 6 course.

⁴ Students must select 1 area for Science. Students who wish to study a 2nd area for Science should plan to use that area as their Group 6.

⁵ AP Statistics and AP Calculus AB are not required in the IB program. Students MUST complete Algebra 2 before taking AP Statistics.

⁶ Completion of a primary area in Groups 2, 3, and 4 will be priority in scheduling. IB Music is a one year SL course. The course may be taken in 11th or 12th grade.
