From Mrs. Dee

This school year has not been the way any of us have planned, but I am so proud of all of you that are still doing your school work. Some of you are really showing out! I so enjoy seeing you out and about, but please continue to take those social distancing precautions. I pray that all of you and your families remain healthy. Love you. Can't wait to see you. Please email me with any questions or concerns

K-8 Grading

Students in grades K-8 will receive a 100 for their fourth, nine-week grade.

The 100 will be averaged with the other three nine weeks to determine the student's final grade in the course and will coincide with the promotion/retention of the student as it relates to district policy.
