PTC Minutes

Jamie Leterski called the meeting together at 6:30pm in the media room at Redtail Ridge Elementary School.

1. Welcome and Introductions

Present: Stacy Sabby, Anna Brynteson, Mara Harper, Melissa Benson, Lisa Lagergren, Ashley Engling, Deanna Heski, Pam Doerr, Jamie Leterski, Darcie Gust, Molli O'Halloran, Carisa Wassing, Allie Eicher, and Barb Yetzer.

2. Principal's Update

MAP Testing for grades 3-5 just finished up.

Flexible seating has all been added to classrooms. Desks and chairs are still an option. This flexible seating creates option making choices for kids and allows for more collaborative group work. Barb has received a lot of great feedback from the teachers.

Due to the recent Shelter in Place/lockdown, Barb shared a bit about the process that day - how the school came to learn about the need for this safety measure and how it was handled very smoothly. A police officer/liaison was at the school the entire time and during the Shelter in Place, the school day went on as usual - the kids, however, were not allowed to go outside during this time. It was a very smooth process due to the practice that's been taking place.

3. President's Update

- a) School Assembly 5/8 – Harlem Wizards
- b) Summer Playdates for Incoming Kindergarteners & Families - 3 summer playdates will be planned to help incoming students familiarize themselves with the school and meet other incoming kindergarten families.
- c) Staff Appreciation Week will take place May 7-11 and each day of the week, a special treat will be provided to the teachers and staff. Blank thank you notes will be sent home with students for them to write a note to their teacher or other staff members. The following is planned for the staff that week:
 - Monday - Breakfast, Bagels & Juice
 - Tuesday - Popcorn Bar after lunch

Wednesday - Lunch, Sandwiches and salad

Thursday & Friday - Treats in Mailboxes

Gift Cards will be raffled off to the staff every day that week

d) Classroom Parties 2018-2019 - in room parties will be handled differently next school year. Due to more stringent rules by the district finance department, teachers will no longer be allowed to collect money from parents at the beginning of the school year. Rather, we are looking into ways to have a volunteer handle these funds for parties. Some ideas are to have a classroom parent(s) handle the funds for each classroom or oversee soliciting donations for classroom parties.

e) Coca Cola Give Program - Website: us.coca-cola.com/give/schools. This site allows users to enter their coke rewards. We are not allowed to have a specified coordinator entering rewards, so we are requesting parents, guardians, teachers, students who have coke bottle top rewards to collect their lids and enter these codes at their leisure. The school will earn \$.05 per cap, \$.15 for 12 packs and \$.30 for 24 packs.
