The CMS PBIS Student Leadership team present to the board. They highlighted the purpose and goals of the PBIS system in the middle school. Students explained how the system works and what the benefits to the students were in regards to expectations, climate and culture. Mrs. Spaeder assisted them and spoke to the program from an educator perspective and announced that CMS was awarded the Gold Recognition for State PBIS.

Student Representatives to the Board, Allie Spielbauer and Addie Huster reported on the recent activities of the high school. They celebrated the most winning team in baseball history for FHS. They also congratulated our state qualifiers in track. End of year activities are keeping everyone busy and students are looking forward to the last day!

Mrs. Huster delivered her report highlighting the MAP testing window as well as our end of year DRA assessments. She celebrated the teachers for all of their hard work that resulted in students making progress in their skills and content mastery. She also celebrated the wonderful teachers and highlighted teacher appreciation week activities.

Mrs. Arnette gave her report and added appreciation for Bekki Galloway and the Fayette Tree Board who donated 75 Bald Cypress trees for Arbor Day so that each 6th grader was able to take one home. We are grateful for this type of support from our community and the tree board.

Mr. Dobson's report highlighted EOC exams, spring music concerts, and art awards from a recent art show competition held in New Franklin. We had several students that were honored with a ribbon for 1st, 2nd, or 3rd place in several different mediums. Mrs. Betts, Mrs. Dobbs, and Mrs. Atterbury were all praised for their work in the fine arts department and our students are the benefactors of that hard work.

Mr. Doolin reported on end of year PD activities for teachers, MAP testing, and legislative issues from Jefferson City affecting education. He also spoke about DESE's Blue Ribbon Commission work on the attraction and retention of teachers. He updated the board on the schools that have officially voted to create a new conference.

The board took the following actions:

1. Approved the Falcon Club Proposal for the beginning of next year.
2. Approved the surplus of the kitchen mixer
3. Approved the agreement for Get the Lead Out LLC
4. Tabled the Salary Schedule Proposal
5. Approved the Resolution for Participation in the Success-Ready Students Network System Design Zone (SDZ)

Closed Session included accepting resignations, hiring recommendations for 3 teachers and 1 paraprofessional, approving classified staff positions, approval of summer school staff, approval of coaching recommendations, and hiring of 2 substitute teachers.
