5th Grade -Angela Gaio	Related Arts - Connie Carroll
EC/PreK Team - Jennifer Cooper	TA - Jennifer Myers
School Counselor : Cynthia Vanderlip	

Agenda:

Admin.		
Specials	Field day information (from Adams)	<p>Field Day is on for a week from tomorrow- Friday May 25. If rain or bad weather is forecast and pretty likely, we will have it on Thursday May 24. We will make this determination with administration as much in advance as possible.</p> <p>Reminders will be in teachers' boxes by Monday morning. Teacher Information Packets will be in the homeroom teachers' boxes by Monday morning</p> <p>To Most TAs and support staff - If you signed up for a station, Ms. Adams will get with you to confirm that station. She will also be getting with those who have not signed up to determine where they will be.</p>

		<p>Everyone here that is not assigned to a classroom will most likely need to help in some way.</p> <p>Help is needed as early as possible on Friday morning to set up stations. If you can come early to help set up PLEASE let Mrs. Adams know.</p>
Parents		
TA		
Pre-K	<p>Suggestion: extend safety patrol so that some students (4th or 5th) can assist Pre-K when carrying something heavy in or need additional help to their class.</p> <p>Music: This seems to have adjusted but make sure it is not too loud, especially for Mrs. Kelly's class.</p>	<p>- Ms. Valvo will find some students to assist with younger folks.</p> <p>-The music will be addressed through Beals.</p>
K		
1st		
2nd	<p><i>_ Review/Approve School Parent Compact AND Parent Engagement Policy</i></p>	<p>-Parent Engagement Policy looks good with modifications, will put on school letterhead.</p> <p>-School Parent Compact looks good. We will modify how we distribute this next year to streamline for teachers.</p> <p>-County Title 1 Policy form was reviewed.</p>
3rd		
4th	<p>Lots of accidents happening in PE and teachers aren't notified. Seems to be a lot of accidents lately.</p>	<p>Beals will address this issue.</p>

<p>5th</p>	<p>Playground Shade</p> <p>Behavior Bucks Store</p> <p>PBIS - doesn't seem to be working</p>	<p>-Cost is a concern, as well as getting an approved contractor from the county. We will look into possibly getting a quote, and start to look for partners in the community. Maybe do fundraisers.</p> <p>-Bucks store needs parent volunteers.</p> <p>-Could we look at different incentives instead of a store? Ex: every grading period, any student with X marks above the line would receive X.</p> <p><i>The Behavior Bucks idea needs to be passed along to PBIS committee.</i></p> <p><i>Do we have to do PBIS?</i> This is something we need to look at more closely as we have been receiving additional training to provide layered behavioral support. Would like to bring concerns to PBIS team so that we can look at adjusting current practices rather than abandoning them altogether.</p>
<p>Other:</p>	<p>Easy fundraisers to raise money for our school Ex: ice pop Fridays (\$0.50) Technology day once a month (pay \$1) --With PTO being minimal, there are things we can do as a school to assist with getting funds for special events.--</p> <p>Summer Reading/Math</p>	<p>Ideas:</p> <ul style="list-style-type: none"> - Restaurant Nights - Daddy-Daughter Dance - Mother/ Son magician night - Ice Pop Fridays - Technology Day - PACE committee (Parent And Community Engagement) - Community yard sale/ goods/ vendors sale <p>Summer Reading/ Math:</p> <ul style="list-style-type: none"> - Brucia is reaching out to the public library to see if they have a reading program - Brucia emailed Chick-Fil-A to see if they would partner with us to help reward students

		<p>who reach a certain reading goal</p> <ul style="list-style-type: none"> - MC being open? Not sure about this-- need an individual trained in Destiny as well as re-shelving books. - Cochran: we could do our own version of a "book bus" where students could come and receive a free book to take. - Reading Log: books for K-2 and minutes for 3-5 - Fall Field Day? - Pizza Hut-- Book It? - Brucia will call companies and see if we can get any other incentives - UCPS Book Bus will be looking to make stops in our community. Planning for location of stop is underway.
