Message from Mr. Armstrong

Regular communication between parents and the school is key to improving student achievement. As a parent, you know your child better than anyone else—you know your child's strengths and weaknesses. Families have a major role in encouraging academic success. Adults must grab every opportunity to let children know that they have high expectations for their education. We want to make sure there is always an open line of communication between the home and school. We will try to update parents by classroom newsletters, school newsletters, our building webpage, and as many of you may have seen, our new LED sign out front. Please check all of these out to be as involved as possible in the life of your child at school.

Sincerely,
Mr. Armstrong

Cold Weather Will Be Here – McQuerry students go outside for recess every day if the temperature is 32 degrees or above. The children do not go outside if it is raining, bitter cold, and in some cases, snowing. Please send your child with proper attire for existing weather conditions. Students that need to stay in for recess more than two (2) days should have a doctor's note.

Inclement Weather – In case of bad weather that would cause an early school dismissal, please be sure your child's teacher knows about alternate dismissal plans. Sign up for the Bulldog Alert on the District website www.odessa.k12.mo.us to receive school cancellations and early dismissal texts!
