

**MCA / MTAS / MN Civics Test  
Building Test Schedules  
2021 - 2022**

---

The Minnesota Comprehensive Assessments (MCA) is a state test that helps districts measure student progress toward Minnesota's academic standards and also meet federal and state legislative requirements. Students take one test in each subject. Most students take the MCA, but students who receive special education services and meet eligibility requirements may take the alternate assessment MTAS instead.
