

Unit: First-Aid, Safety and Injury Prevention

Long Term Learning Target: I can demonstrate basic first aid care, list fire safety facts and prevent injuries.

(Lesson 1: First Aid)

Learning Targets: Language Targets

I can **view** and **listen** to the powerpoint and **write** in answers on our "First Aid" worksheet.
I can rotate through stations and **read** signs with common emergencies.
I can **write** in first aid care to be given, in response to each emergency, on a chart.

Additional Learning:

I can go through a first aid kit and **identify** common contents and **explain** why they are important.

(Lesson 2: Fire Safety)

Learning Targets: Language Targets

I can **listen** to the fire marshal and **verbally** participate in speaker and peer conversations.
I can **read** the fire safety packet and **list** negative impacts and dangers a fire can create.

Additional Learning:

I can **create** my own personal fire escape plan, **drawing** a diagram of my home and routes to exit and meet.

(Lesson 3: Injury Prevention)

Learning Targets: Language Targets

I can **listen** to the trauma nurse presentation and **participate** in class activities.
I can **watch** and **listen** to videos related to preventing injuries while riding a bike, crossing the street, playing sports and riding in cars.

Additional Learning:

I can **think** about my personal safety habits and **make a written plan** to prevent injuries and stay safe.
