

## Unit: Reproduction, Puberty and Pregnancy

---

**Long Term Learning Target:** I can explain reproduction, puberty and the stages of pregnancy.

**(Lesson 1: Puberty Olympics and Male/Female Anatomy)**

**Learning Targets:** **Language Targets**

I can **read** and **verbally** pronounce and define vocabulary related to puberty.  
I can **write** in and correctly label parts of the male and female anatomy.

**(Lesson 2: Puberty Presentation-School Nurse)**

**Learning Targets:** **Language Targets**

I can **listen** to the presentation from the school nurse.  
I can complete the worksheet by **writing** down what both males and females experience during puberty.  
I can **write** down a question(s) related to puberty and reproduction that I would like to learn more about.

**(Lesson 3: Q and A, Reproduction and Pregnancy)**

**Learning Targets:** **Language Targets**

I can in **writing** summarize changes in a pregnant woman's body.  
I can respectfully **listen** to questions from my peers and teacher/nurse responses.

**Additional Learning:**

I can **complete** the exit ticket, outlining my learning for this unit, and **have a discussion** regarding the topics with a trusted adult.
