Rockbridge County Public Schools will continue to offer meals during the current school closure at Fairfield Elementary, Natural Bridge Elementary, and Maury River Middle, but will operate under a new schedule beginning Monday, March 30, 2020.

We will now offer meal pickup and delivery on Monday, Wednesday, and Friday with two days of breakfast and lunch being delivered on Monday and Wednesday. There will also be new hours for curbside pick-up, which will be from 12:00pm to 12:30pm. Bus route delivery times will now occur from 3pm to 5pm. We have also upgraded the meal order form to allow you to complete one form each week per child beginning the week of March 30, 2020.

A reminder that meals can be provided to children 18 and under without charge. We ask that parents fill out the electronic order form on our website to help us prepare an appropriate amount for each day. Please go to the Rockbridge County Public Schools website, www.rockbridge.k12.va.us, and click on the COVID 19 INFORMATION page to access the meal order form and find more information.

Please call your child's school if you are unable to complete the form.

This institution is an equal opportunity provider.
