

Medical Terminology 2015

- + I have read and understand the course guide.
- + I understand there will be medical material in this class that I will be expected to act in a mature manner about and control my reactions and outbursts.
- + I understand that there will be videos and images of blood, internal organs, surgeries, and medical conditions in this class. I will be expected to inform the teacher if these images make me feel sick.

Homework/ Make-Up/ Retest Policy

- + We will follow FISD and the CHS handbook guidelines.
- + CHS Test Re-Take day for electives is Mondays. Other days may be arranged if needed.
- + You must schedule a tutorial and re-take before the end of class of receiving your grade.
- + Notebook grades and projects/ labs cannot be re-taken.
- + You must ask for your make-up work when you miss class. Your handouts will be in the absent bucket. Tutorials might be needed.

KEEP
CALM
AND
DO YOUR
HOMEWORK

Do's and Don'ts:

- DO ask questions
- DON'T write in any color besides standard blue/ black pen or pencil
- DO put your full name and class on every assignment
- DON'T let yourself get distracted by others
- DO have fun!
