

Medical Assisting Portfolio Project

Due: 5-18-18 8:00 am

Purpose: You are to prepare and submit a Link to a Portfolio you will develop which showcases selected items which gives a picture of your skills, goals, and accomplishments since you entered high school.

Items which must be included:

1. Biography describing your personal philosophy and how you have grown since you entered high school 4 years ago.
2. Resume if you have never worked showcase your volunteer and extracurricular activities
3. Personal and Educational goals for at least 6-9 months after high school graduation
4. Copy of your best college essay submitted this year
5. Copies of two projects, research papers, or assignments completed during your high school career that you are especially proud of

Websites to consider or another site that allows you to send me a Link to your completed Portfolio. (If you already have a google site portfolio see if you can transfer it to your G-mail address so you can access it after you graduate.)
