

# meet me!

Shade in the number of M&Ms you have for each color. (Use colored pencils)

Red																			
Blue																			
Yellow																			
Orange																			
Brown																			
Green																			

What type of graph did you just create?

For every red M&M you have, write 1 thing love to do in your free time.

For every blue M&M you have, write 1 thing you like about school.

For every yellow M&M you have, write 1 thing you dislike or is a pet peeve.

For every orange M&M you have, write 1 TV show, movie, or book you like.

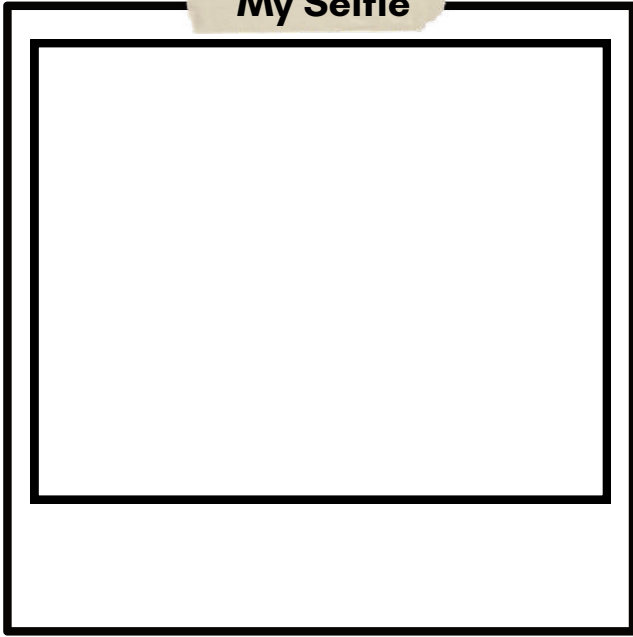

For every brown M&M you have, write 1 thing you want to learn or accomplish this year.

For every green M&M you have, write 1 thing I should know about you.

Draw your selfie and  
complete the information  
about yourself

# meet me!
