My Background

I am so happy to say that this is my **8th year** working at the Jackson school! I started here student teaching and substitute teaching while finishing up school. The following year, I worked as a paraprofessional in 3rd grade. Then, I started working with 2nd and 3rd graders as a Special Education Teacher for 3 years. This is my 3rd year having my very own classroom in 3rd grade. I am so excited for you to be a part of it!
