My Summer

Celebrating my sisters birthday in Tennessee

I was only home for a total of 2 (maybe 3) weeks! Once school let out I went backpacking through parts of Europe with my best friend, Stephanie, for 13 days. My next trip was home to Northern Virginia to see Imagine Dragons. It was extremely hot that night!! I spent a week visiting my family. I came home briefly before heading to North Wildwood NJ with family and friends until returning to DC to see the Eagles (the band) for the second time. From DC, I flew to California with my sister. I spent 10 days there. Summer flew by!! What did you do?! I can't wait to hear about your adventures!

Work Background

I taught first grade on a military base (Ft. Belvoir, VA) for four years and also served as a team lead and primary math lead before coming to Fishing Creek ES. I started my Fishing Creek career in 2nd grade (for two years). I am very excited for yet another new adventure as I move up to 4th grade. I can't wait to see how much everyone has grown since second grade and to once again learn from one another as we collaborate in math this year.
