

## Meeting Minutes

RHHS

School Improvement Council

Monday, March 19, 2018

6:00 pm.

Attendees:

Christy Farley – Chair, Ellie Farley, Betty Simpson, Windy Cole, PaHoua Vang, Beau Modla, Michael Cox, Frankie Broom, Tony Cox, Babs Addison, Kim Hope, Misty Dunlap, Josh Dunlap, Frances Osborn, Cameron Tuck

Minutes issued by: Ellie Farley – Secretary

Mr. Modla updated us on important upcoming dates. He introduced Tony Cox, Michael Cox, and Frankie Broom.

Tony Cox stated that he is aware of the unique condition at RHHS regarding cleanliness. The issues are being addressed and they are working to solve the issues. The main custodian (Mr. White) was out of work for about three months. He was replaced mid February. The day custodian is through the district; whereas, the night custodian is through the Bud Group. Bathrooms should be cleaned thoroughly every day and checked during the day. If teachers see that something is not being done then a work order needs to be filled out. If the person responsible for cleaning is not doing their job they will be held accountable and written up. Cleaning needs to be a team concept not maid service. Since there is a lot of after school activities it makes it difficult to clean certain areas. It also requires more cleaning time when students eat in the classrooms. Some students also said that the auditorium is not being cleaned properly. Most of the bathrooms are in need of renovation and bids are being taken now to complete this project.

There was a suggestion that the SIC could work on a project to form a cooperative process between teachers, students, and the custodian staff. School spirit is very low. Students could possibly receive awards for helping to clean classrooms. We need to create a different environment so that students have more pride. Seniors could possibly get more privileges. Students commented positively about the art work in the bathrooms that were done by volunteers. The consensus was that if the students have nicer things then maybe the students would be willing to take more pride in the appearance of the campus.
