

# WHY CELEBRATE MEMORIAL DAY?

## Distance Learning Activities for Grades K-2

If you have any questions, please email me at [kimberly.kovach@ucps.k12.nc.us](mailto:kimberly.kovach@ucps.k12.nc.us)  
Have fun!

**Read/Listen:** Learn about this holiday through story and music! Visit [Capstone Books](#) (Username: continue Password: reading) and search for the book **Memorial Day**. After you read, tell a family member what you learned from the book! Or, make a video sharing one fact that you learned from reading the book. Then, email it to Mrs. Kovach! I'd love to hear from you!

**Research/Learn:** Go to the database [PebbleGo.com](#) (Username: engaged Password: learning) and search using the keyword: Memorial Day (be sure to separate the words). Watch the video, too! Tell a family member two new facts you learned, and one question you still have. Work together to find the answer to your question.

**Make/Create:** Follow directions to make a patriotic mini-book or [windsock](#).

I'd love to hear from you!

**Research/Learn:** Visit the encyclopedia [World Book Online](#) (Username: Student Id# Password: book. Go [HERE](#) for step-by-step instructions ) and search for the Memorial Day article and read it. Encyclopedias like World Book Online are very "reliable". That means that the information is double-checked to make sure that it is true. Tell a family member two new facts you learned, and one question you still have. Use another reliable source (try NC Wise Owl!) to find the answer to your question.

**Make/Create:** Follow directions to make a patriotic mini-book or [windsock](#).
