Madelia Elementary School

Student Handbook

It is not possible to put every contingency that may arise in a handbook. Those contingencies that arise that are not covered in the handbook will be at the discretion of the principal.

If you have questions regarding information found in the handbook, please contact the principal.

Section 1: Academics and Instruction

The staff at Madelia Elementary would like to encourage you to be involved with your child's education. Your involvement in your child's education is a critical factor in his/her success. Equally important to the formal communications are the informal communication. Please keep the lines of communication open with your child's teacher. **We encourage parents to contact their child's teacher by phone, email, in writing, or in person. All staff have a district email address, which is usually their first and last name followed by @isd837.org. Feel free to call any time you have questions and concerns.** If a teacher is in class when you call or send a message, he/she will respond as soon as possible. If you would like to visit your child's classroom or need to deliver something for your child, please come to the office. The office will then contact the classroom teacher and/or ask for the student to meet the parent in the office.

Conferences and Report Cards:

The first parent-teacher conferences at the elementary are held in September to ensure an understanding of expectations for the upcoming school year. The second conference is held in November. Additional conferences will be held in the spring by teacher invitation. You will be notified when conferences are to be held. However, anytime a question arises, please call and schedule a conference. It is always better to discuss concerns when they happen. Report cards are issued on a quarterly basis. Check the school calendar and website for exact dates. Report cards will be mailed to your home address at the end of each quarter.

Gifted & Talented Program:

Challenge is a program for select students who are identified as being advanced in their learning and who would benefit from more rigorous study. Students will be invited to participate in Challenge based on academic criteria.

Homework:

Parents/Guardians, we ask you to please make your child's education a high priority. We ask that you support and encourage the homework responsibilities. Homework is expected to be completed. Independent reading is considered part of a student's homework. Ask your child each night if he/she has homework and check that it is completed.

Communicate with your child's teacher when you have concerns.

- Write a note to or email the teacher if your child is unable to complete most homework assignments within the recommended timeframe.
- Let the teacher know about factors which may be affecting your child's ability to complete homework assigned.

Homework Recommendations

Students should:

- Schedule a time and a place to do homework.
- Complete all assignments on time.
- Do assignments neatly.
- Do your own homework independently with assistance as needed.
- Take responsibility for making up homework assignments missed due to absence.

Special Services:

Children who have special needs in academic, physical, or behavioral areas are served by our school staff. Students qualify through a formal evaluation process. If a child qualifies for service, the team works with the classroom teacher, specialists, and the child's parents to develop a suitable individual educational plan. If your family has been impacted by Homelessness, please contact the office at 507-642-3234. We will connect with you privately about access to support and services.

ML (Multi- Language) Program

The mission of the Madelia Public Schools Multi-Language (ML) Program is to ensure Multi-Language students attain English language proficiency and meet District 837 and

Minnesota academic achievement standards. Our goal is to enable ML students to take full advantage of their education by achieving academic language proficiency in Listening, Speaking, Reading and Writing.

Section 504

It is the policy of the Madelia Board of Education to provide a free and appropriate education to each disabled student within its jurisdiction, regardless of the nature or severity of the disability. It is the intent of the district to ensure that students who are disabled within the definition of Section 504 of the Rehabilitation Act of 1973 are identified, evaluated, and provided with appropriate educational services. Students may be disabled under this policy even though they do not require services pursuant to the Individuals with Disabilities Act (IDEA). Due process rights of disabled students and their parents under Section 504 will be enforced. *Tara McCarron K-12 Counselor*, is the coordinator for Section 504 processes at the elementary school.

Special Education

Services include Speech (language or articulation), Learning Disabilities, Emotional-Behavior Disorders, and Developmentally Cognitively Delayed. Services are also available for vision, hearing, physical disabilities and other health impairments. The team meets to discuss the needs of children who have been identified by classroom teachers, parents and/or other appropriate agencies. The team is composed of the principal, special education teachers, a speech and language pathologist, the school psychologist, the school counselor and appropriate classroom teachers. If a child qualifies for service, the team works with the classroom teacher, specialists, and the child's parents to develop a suitable individual educational plan.

Section 2: Attendance

Learning experiences in the classroom are an integral part of the educational experience and there is a direct correlation between regular attendance and successful academic performance. Consistent attendance helps a student develop personal responsibility and self-discipline. Student absence from school should be limited to those instances that can not be avoided or are in the best educational interest of the student.

Appointments:

Please avoid taking your child out of school early. If it is absolutely essential to do so because of a medical appointment or other urgent matter, please make certain the child's teacher and office staff is notified in advance. We expect students to return to school when scheduled appointments are completed. When these situations are known in advance, we ask that you send a note to the teacher explaining the situation. Parents

must check out the student at the main office when taking the student from school during school hours. School administrators have the discretion to determine whether or not an absence is excused. **Students will only be released to parents or other designated adults as indicated on your child's enrollment form or when express permission is given to the school by way of a phone call, email message or note.**

Attendance Policy:

In accordance with the regulations of the State Department of Education and the Minnesota Mandatory Attendance Law, Minnesota Statutes Section 120.10, the students of District No. 837 are REQUIRED to attend all assigned classes and/or study halls every day school is in session.

Madelia Elemenatry School feels that school sponsored events and field trips conducted during the school day are an integral part of a well balanced curriculum and will not include absences resulting from these activities in the total number of 9 allowable days given. All other absences will count toward the 9 days total that is allowed per term unless there are extenuating circumstances.

Parents or guardians will be notified when their student has an unexcused absence. Parents will also be notified by mail when their student has their third and fifth excused absence in any one term.

Students are expected to be in school unless there is a medical reason or other extenuating circumstances (i.e. serious illness or death of immediate family member) for them to not be in attendance.

Parents or guardians will be notified when their student has an unexcused absence. Parents will also be notified by mail when their student has their third and fifth unexcused absence in any one term.

I. PURPOSE

- A. The school board believes that regular school attendance is directly related to success in academic work, benefits students socially, provides opportunities for important communications between teachers and students, and establishes regular habits of dependability important to the future of the student. The purpose of this policy is to encourage regular school attendance. It is intended to be positive and not punitive.
- B. This policy also recognizes that class attendance is a joint responsibility to be shared by the student, parent or guardian, teacher, and administrators. This policy will assist students in attending class.

Attendance Recording:

Absentees must present a note from home explaining the absence or, if possible, parents/guardians are encouraged to call the school between 7:00 and 8:00 a.m. to inform the office of the reason for the absence. The school must receive a note or phone call no later than the day of the students return to school/class or the absence will be unexcused. Students with legitimate reasons for being tardy should obtain an admit slip from the office upon their arrival.

Unexcused Tardiness

Being on time to school is critical to academic success. Students should be in class and ready to learn at 8:15 am. If the school has not been contacted by the start of the school day, the tardiness may be considered unexcused.

For further information, refer to the district website at <http://www.madelia.k12.mn.us> under the district tab - district reports - school board policy manual.

Section 3: General Information

Animals/Pets:

There is an increased awareness of health and safety concerns in the school. Therefore, before a student brings a pet to school, the student and parents must receive prior approval from the principal, school nurse, and classroom teacher. Backpacks:

Backpacks should be stored in the student's assigned student locker. Backpacks may be allowed in the classroom at the discretion of the teacher due to special circumstances.

Birthdays:

We understand that birthdays are important occasions in the life of a child. We permit students to bring treats for their birthday, but have limitations as to what is allowed. State law prohibits any homemade snacks from being brought to school for birthday treats or special parties. Parents should call their child's teacher in advance to determine

the best time of day and the best options for birthday treats according to each teacher's individual guidelines and expectations. **Due to the high number of food allergies, we strongly encourage parents to provide nonfood items to recognize student birthdays.** It is requested that birthday invitations not be handed out at school.

Building Security:

Students are not to be in the building outside of regular school hours unless they are authorized under the direction of an appropriate advisor/supervisor. Doors open at 7:30 a.m. and lock at 8:15 a.m. daily. All visitors and students who arrive outside of the regular school hours are required to check in at the office.

Calendar:

The district-wide school calendar is made available to all households on our school website, <http://www.madelia.k12.mn.us>. This calendar has detailed information and important dates for the entire school district.

Cell Phones and Personal Items from Home:

It is the general policy of Madelia Elementary School that students who bring cell phones must turn them off and keep them in their backpacks in their lockers. Keep in mind that if a student chooses to bring a cell phone, the school district will not replace lost or stolen cell phones. Cell phones may be confiscated and placed in the office for parents to pick up if the phone causes a disruption to the learning process. Personal items such as toys, sports equipment, collectable cards, electronics and money should be left at home as they are a potential disruption to the educational process and are at risk of damage or theft in unsecured lockers. We ask that you please instruct your child(ren) to leave these items at home.

Communication:

Infinite Campus Messenger (Messaging for Activities, School Closings & Late Starts)

Parents are encouraged to sign up for Campus alerts by contacting the office. Campus Messenger is a phone/text/email messaging service to inform parents about upcoming events and school cancellations. It is the parent's responsibility to contact the office to update information.

Newsletters and Notes

We have a monthly school-wide newsletter which is sent to families to via Infinite Campus Messenger. As important events approach or as plans change, the office will also send specific parent notes home with students. Parents also receive ongoing communication from teachers via class newsletters and calendars that are specific to their class/grade level, as well as quarterly student progress reports. It's important to

read these articles to stay informed of your child's school events and educational activities. Your interest will encourage your child to bring them home.

Parent Portal

The Parent Portal is a software tool designed to enhance the communication and involvement of parents in their child's education at the Madelia Public Schools. The Parent Portal will allow you to monitor your child's progress in school by providing Internet access to grades, attendance, and academic history in a secure password protected environment. Parents can also pay for food service on the Parent Portal. Please contact the Madelia Elementary Office to request a password which will then allow you access to your students' progress with parents each week.

Computer Use and Expectations:

- No eating and drinking is allowed while using devices.
- Access to computers is allowed only when the teacher or another faculty member is in the classroom.
- Only classwork is allowed to be completed on computers.

District Technology Acceptable Use and Safety Policy:

The purpose of this policy is to set forth policies and guidelines for access to the school district computer system and acceptable and safe use of the Internet, including electronic communications. (See Appendix D - Policy 524 and for further information, refer to the district website at <http://www.madelia.k12.mn.us> under the district tab - district reports - school board policy manual.)

Our network is defined as any computer, software, input, or output device owned by or used by students, faculty, staff, and administration of the school district. All network users are expected to abide by the generally accepted rules of computer and network etiquette. The following guidelines are expected of all district students, faculty, staff, and administration.

When using network resources:

- Keep your password private. Do not give it to anyone. This is for your protection.
- Your account is for your use only. Do not log anyone else into our system other than you. Again, this is for your protection.
- Use common sense with your network account and when printing documents. Please keep your network folder up-to-date and delete old or unneeded files. This ensures everyone has plenty of room on the file server. When printing, make sure to use print preview before sending a file to the printer. This will ensure that we do not waste toner, ink, and paper. In addition, please obtain

permission from the teacher, computer lab supervisor, or Technology Coordinator prior to printing personal, non-academic documents.

In e-mail and other forms of electronic communications:

- Be polite. Do not be abusive in e-mail messages to others. School rules regarding harassment apply to electronic communication.
- Use appropriate language. Do not swear, use vulgarities, or any other inappropriate language.
- Protect your privacy. Never reveal your personal address or the home phone number of students or colleagues to unknown Internet users.
- Be aware that email is not guaranteed to be private. People who operate the system do have access to mail. There is no expectation of privacy when using e-mail or other internet services owned by the Madelia school district. In addition, messages relating to or in support of illegal activities will be reported to the authorities.

When using Internet services:

- Obtain permission from the teacher, computer lab supervisor, librarian, or technology coordinator prior to using the Internet.
- Use the Internet for academic purposes.
- Access sites that directly relate to the topic you are researching. Do not waste class time by researching sites not directly applicable to your research topic. In the instance that you accidentally come across a site of an inappropriate nature, click the “Back” button on your web browser immediately and inform the teacher, computer lab supervisor, librarian, or Technology Coordinator.

There are unacceptable uses of our network, electronic mail, and the Internet. These include, but are not limited to:

- Using the network for any illegal activity, including violation of copyright and other laws.
- Using the network in ways that violate school policies and behavior guidelines.
- Using the network for financial or commercial gain.
- Degrading or disrupting equipment or system performance.
- Invading the privacy of other individuals by accessing and/or vandalizing their computerized data.
- Wasting technology resources, including bandwidth, file space, and printers.
- Gaining unauthorized access to computerized resources or entities.
- Using an account owned by another user, with or without their permission.
- Posting personal communications without the author’s consent.
- Accessing web sites or propagating electronic mail discussions/documents that contain inappropriate photos, graphics, obscenities, swear words, or vulgarities.
- Accessing web sites or propagating electronic mail discussions that contain information/threats encouraging terrorist activity, the illegal use of firearms and/or other weaponry.

- Excessive use of network services for non-educational related research and/or communication.
- Use of IRC (Internet Relay Chat) Servers, more commonly known as chat rooms or instant messaging.

Consequences:

Consequences will be assessed to students who abuse internet and e-mail privileges. Infractions will be cumulative throughout the student's career in each building. Students will get a "fresh start" when they move from the elementary school to the high school.

Network violations:

Instances where students disrupt school computer systems performance, access computer accounts other than their own, use district computer services for illegal activity, or other violations of this type - will be taken seriously and will be handled in a different manner than Internet e-mail violations. Consequence guidelines are as follows:

Student Internet/E-mail Consequence Table:

| | |
|----------------|---|
| First Offense | Student will lose corresponding system privileges (Internet/Email) for 15 school days. Parents will be notified. |
| Second Offense | Student will lose corresponding system privileges (Internet/Email) or 60 school days. Parents will be notified. |
| Third Offense | Student will lose corresponding system privileges (Internet/Email) for 90 school days. Parents will be notified. |
| Fourth Offense | Student will lose corresponding system privileges (Internet/Email) indefinitely at the discretion of the technology coordinator and building administrator. Parents will be notified. |

Regaining Privileges: In order to regain network privileges, students must meet with the technology coordinator and the building administrator.

Network Consequence Table:

Each Offense Student will incur disciplinary actions that reflect the severity of the infraction. The disciplinary action will be determined by the building administrator and the technology coordinator.

Within 30 days of the start of each school year, the school district must give parents and students direct and timely notice, by United States mail, e-mail, or other direct form of communication, of any curriculum, testing, or assessment technology provider contract affecting a student's educational data. The notice must:

1. identify each curriculum, testing, or assessment technology provider with access to educational data;
2. identify the educational data affected by the curriculum, testing, or assessment technology provider contract; and
3. include information about the contract inspection and provide contact information for a school department to which a parent or student may direct questions or concerns regarding any program or activity that allows a curriculum, testing, or assessment technology provider to access a student's educational data.

The school district must provide parents and students an opportunity to inspect a complete copy of any contract with a technology provider.

Students will receive a copy of the school district's "Internet Acceptable Use" policy and are expected to understand and agree to abide by the policy as a condition of use of the school district's computer system. All students who wish to use the school district's computer system must sign the Internet Use Agreement form *annually*.

Fire Drills and Lockdowns:

The school will participate in the Minnesota Department of Education's required five fire drills, five lockdowns, and one tornado drill per year. All drills and lockdowns must always be carried out in a serious format. For a fire drill evacuation from the building should be done expediently and orderly. For a tornado drill students will move to the assigned area. Instructions are posted in each classroom for evacuation.

Fundraising:

All fundraising activities conducted by teacher and parent groups must be approved in advance by the Principal. Participation in non approved fundraising activities is a violation of school district policy. Solicitations of students or employees by students for nonschool-related activities will not be allowed during the school day.

Insurance:

The School District does not carry health or accident insurance on students. This is the responsibility of each individual family.

Lockers:

Lockers are the property of the Madelia School District and are on loan for student use. The administration has the right, under law, to search any student's locker at any time if

they suspect that the student has violated or is violating either the law or school rules. The school is not responsible for lost or stolen items.

Lost and Found:

The school will make a reasonable effort to find lost items. However, the school does not assume the responsibility for any personal items. The school has a designated lost and found bin for the students to claim belongings. Labeling your children's coats, jackets, and lunch containers with their name helps a great deal when items are lost. Articles not claimed at the end of the year are given to a charitable organization.

Pledge of Allegiance:

The weekly recitation of the Pledge of Allegiance is a state law for Minnesota Public Schools. The students will be educated on the proper etiquette toward, the correct display of, and respect for the flag and in patriotic exercises. The students and staff have the right to refrain from participation if they choose. However, the rights of others choosing to participate should also be respected. (See Appendix D - Policy 531 and for further information, refer to the district website at <http://www.madelia.k12.mn.us> under the district tab - district reports - school board policy manual.)

School Closings:

Should weather or other emergencies prohibit holding school, parents will be notified utilizing the Campus Alert Messenger system and can also be found on Radio Stations KSUM/KFMC (1370-Fairmont), KNUJ (107.3-New Ulm), WCCO (830 AM), Z99 (99.1 FM-Mankato), KBEW (Blue Earth), and KSTP TV (CHANNEL 5), KEYC TV, KARE 11, WCCO (CHANNEL 4), and MCTV (CHANNEL 14). Announcements will be made at the earliest possible hour. Parents are requested not to call the school for this information unless absolutely necessary as phone lines need to be free for emergency information.

Parents are urged to use judgment relative to sending elementary children to school in cases of severe weather conditions. *Morning Pre-Kindergarten classes will be canceled on days of late starts. Afternoon Pre-Kindergarten classes and buses will run on regular schedules.* **All parents should have a form on file in the school office indicating where their children should go in the event that school is called off early, especially if they ride the bus and buses cannot take them home.**

School Website/Social Media:

The school website is used to post school updates, reminders, and photos. The district calendar is also posted on the Madelia Public Schools website. We use our Facebook and Campus Messenger to quickly share updates, reminders and alerts such as weather related school delays and closings. We also want to positively promote the accomplishments of our students and the events that take place at Madelia Elementary. Students whose parents have granted photo permission may have their picture added to our Facebook page. Student names are not included with student images on either the website or our social media page.

Searches in Lockers, Desks, Personal Possessions, and the Student's Person:

The purpose of the policy is to provide for a safe and healthful educational environment by enforcing the school district's policies against contraband.

In the interest of student safety and to ensure that schools are drug free, district authorities may conduct searches. Students violate school policy when they carry contraband on their person or in their personal possessions or store contraband in desks, lockers, or vehicles parked on school property. "Contraband" means any unauthorized item, the possession of which is prohibited by school district policy and/or law. If a search yields contraband, school officials will seize the item(s) and, when appropriate, give the item(s) to legal officials for ultimate disposition. Students found to be in violation of this policy are subject to discipline in accordance with the school district's "Student Discipline" policy, which may include suspension, exclusion, expulsion, and, when appropriate, the student may be referred to legal officials.

Lockers and Personal Possessions Within a Locker

Under Minnesota law, school lockers are school district property. At no time does the school district relinquish its exclusive control of lockers provided for students' convenience. School officials may inspect the interior of lockers for any reason at any time, without notice, without student consent, and without a search warrant.

Students' personal possessions within a school locker may be searched only when school officials have a reasonable suspicion that the search will uncover evidence of a violation of law or school rules. As soon as practicable after the search of a student's personal possessions, the school officials will provide notice of the search to students whose lockers were searched, unless disclosure would impede an ongoing investigation by police or school officials.

Desks

School desks are school district property. At no time does the school district relinquish its exclusive control of desks provided for students' convenience. School officials may inspect the interior of desks for any reason at any time, without notice, without student consent, and without a search warrant.

Personal Possessions and Student's Person

The personal possessions of a student and/or a student's person may be searched when school officials have a reasonable suspicion that the search will uncover a violation of law or school rules. The search will be reasonable in its scope and intrusiveness.

(For further information see Appendix D - Policy 502 and for further information, refer to the district website at <http://www.madelia.k12.mn.us> under the district tab - district reports - school board policy manual.)

Student Council:

The Madelia Elementary School Student Council includes representatives from each classroom in grades 1-6. The Student Council meets periodically to plan activities throughout the year. Activities include community involvement opportunities, service projects, and promoting school spirit. Student Council representatives are expected to show positive behavior in all settings at Madelia Elementary.

Student Dress:

The purpose of this policy is to enhance the education of students by establishing expectations of dress and grooming that are related to educational goals and community standards. The school dress code is not concerned with what the student should wear, but what is considered improper. This applies to both males and females. We believe that neat and proper dress contributes to a student's safety as well as fostering desirable attitudes and behavior. Good judgment is expected in determining the type of dress most appropriate for a learning setting. If a student arrives at school in attire that may be disruptive to the classroom environment, the school personnel will call the parents of the student to bring in appropriate clothing. Please help by sending your children to school properly attired. We ask that hats not be worn in school. Clothing bearing the names of alcohol or tobacco products or any profanity is not acceptable. In addition, any logo or design on apparel or accessories that promotes or is associated with violent behavior is prohibited (movies, video games, internet sources).

Dressing for Winter Weather

Boots and warm clothing are especially important in cold weather. **Students go outside for morning and noon recess unless the temperature is 0 degrees or below, or the wind chill is below -10 degrees. Students must wear winter hats, boots, and snow pants if there is snow on the ground or the temperature is below 40 degrees. When the temperature is less than 32 degrees, hats and gloves should be worn. If the temperature is near 50 degrees, a sweatshirt or lightweight jacket is acceptable.**

Visitors:

Parents are welcome and encouraged to visit Madelia Elementary School. As a courtesy to school personnel, it would be helpful to know about visits in advance. For the safety of all students and staff, all visitors at Madelia Elementary School must report to the office and sign in upon arrival. Visitors and volunteers are asked to wear visitor badges/stickers for identification. Friends and relatives of your child (student-age) who may be visiting your home are discouraged from spending the day at school as they are "non-enrolled" students.

Section 4: Student Conduct

At Madelia Elementary we believe in the **HAWKS** way...each of us is expected to be **Honest, Accountable, Work Hard, show Kindness, and make Safe choices**. We are a PBIS school. Positive behavioral interventions and supports (**PBIS**) provides the framework for encouraging good behavior. We teach our students the steps in acquiring positive behavior. Our goal is prevention, not punishment. We hold HAWKS Assemblies and recognize and reinforce students' positive behavior with HAWKS Bucks, in addition to other routines and activities.

Bullying Prohibition Policy:

A safe and civil environment is needed for students to learn and attain high academic standards and to promote healthy human relationships. Bullying, like other violent or disruptive behavior, is conduct that interferes with a student's ability to learn and/or a teacher's ability to educate students in a safe environment.

The school district cannot monitor the activities of students at all times and eliminate all incidents of bullying between students, particularly when students are not under the direct supervision of school personnel. However, to the extent such conduct affects the educational environment of the school district and the rights and welfare of its students and is within the control of the school district in its normal operations, the school district intends to prevent bullying and to take action to investigate, respond to, and to remediate and discipline for those acts of bullying which have not been successfully prevented.

The purpose of this policy is to assist the school district in its goal of preventing and responding to acts of bullying, intimidation, violence, reprisal, retaliation, and other similar disruptive and detrimental behavior. (See Appendix D - Policy 514 and for

further information, refer to the district website at <http://www.madelia.k12.mn.us> under the district tab - district reports - school board policy manual.)

Section 5: Student Discipline

Student discipline is an area of continuous focus and reflects the combined responsibilities of the students, parents and staff. Please become familiar with the elementary discipline policy. Parents are encouraged to review the policy with their child/children. If you have any questions about the policy, please call the school at 642-3234.

Discipline Policy:

The school district will take appropriate disciplinary action when students fail to adhere to the Code of Student Conduct established by this policy. All students are entitled to learn and develop in a setting which promotes respect of self, others, and property. Proper positive discipline can only result from an environment which provides options and stresses student self-direction, decision-making, and responsibility. Schools can function effectively only with internal discipline based on mutual understanding of rights and responsibilities. Students must conduct themselves in an appropriate manner that maintains a climate in which learning can take place. Overall decorum affects student attitudes and influences student behavior. Proper student conduct is necessary to facilitate the education process and to create an atmosphere conducive to high student achievement.

Removal of Students from Class:

Teachers have the responsibility of attempting to modify disruptive student behavior by such means as conferring with the student, using positive reinforcement, assigning other consequences, or contacting the student's parents. Teachers will work to employ all non-exclusionary disciplinary practices before removing a student from the classroom.

"Nonexclusionary disciplinary policies and practices" means policies and practices that are alternatives to dismissing a pupil from school, including but not limited to evidence-based positive behavior interventions and supports, social and emotional services, school-linked mental health services, counseling services, social work services, academic screening for Title 1 services or reading interventions, and alternative education services. Nonexclusionary disciplinary policies and practices include but are not limited to the policies and practices under sections 120B.12; 121A.575, clauses (1) and (2); 121A.031, subdivision 4, paragraph (a), clause (1); 121A.61, subdivision 3, paragraph (r); and 122A.627, clause (3).

A school discipline policy (K-12) as required by the Minnesota Legislature has been adopted by the Board of Education. This policy shall govern the disposition of disciplinary cases. (See Appendix D - Policy 506 and for further information, refer to the

district website at <http://www.madelia.k12.mn.us> under the district tab - district reports - school board policy manual.)

Section 6: Student Health Services

A licensed school nurse is employed by the school district on a part-time basis and is usually at the elementary school between the hours of 9:30 a.m. and 1:30 p.m. **Always report changes in employment or telephone numbers to the school. In the event of student illness/injury, we need to be able to contact parents in a timely manner (see the section regarding emergency procedures below).**

Allergies, Asthma, and Other Health Concerns:

Parents are asked to inform the school and contact the health office regarding any known allergies, asthma, and other significant changes in their child's general health or of any physical limitations which may require special attention or consideration.

Illness / Injury:

If a child becomes ill or is injured and cannot remain at school, parents are responsible for the transportation of the child to the child's home. Parents will be notified as soon as possible. **If parents cannot be contacted, we will call the designated "emergency contacts". If there is not a designated "emergency contact" we will be required to call emergency services personnel (i.e. law enforcement officers or county social services providers).**

In minor accidents, parents will be notified and asked to make a decision regarding the need for medical care. In case of accident/serious injury, emergency first aid will be administered. If necessary, an ambulance will be called and parents notified immediately. Emergency medical authorization forms are maintained and will be used if necessary.

Children should be kept at home and will be sent home for the following conditions:

1. Diarrhea - A student should be kept home unless the student is known to have diarrhea from a non-contagious condition. Students may return to school when symptoms resolve.
2. Fever - A student should be kept home if they have a temperature of 100.4 degrees or higher for grades K-12; pre-k 101 degrees or higher.

Students may return to school when signs and symptoms of illness have resolved.

3. Rash - A student should be kept at home if the rash is accompanied by a fever or behavioral change until a physician has determined the illness is not a communicable disease.
4. Vomiting - A student must be kept home if there is active vomiting, two or more times during a 24 hour period unless vomiting is caused by a non-communicable condition.
5. Covid-19 - The health office will inform parents based on protocols related to Covid-19. Please ask for Shannon, our school nurse, or call 507-642-3234 at x 2127.

Immunizations;

Minnesota law requires that all children entering a public, private or parochial school, day care center or nursery school show proof of immunization. Immunization records are a part of a child's cumulative school record. It is the responsibility of the parent(s) to make the information available to the school. If a child is not up-to-date on their immunizations, they may be asked to do so prior to attending. *All children, unless they have legal exemption, must have five immunizations for diphtheria-tetanus, four oral polio, regular immunization of measles, and all boys and girls aged twelve must have an immunization for Measles. Children up to age seven should be vaccinated for mumps.*

Medication Policy:

Since administration of medication to students presents potential problems, it is preferred that medication be given outside of school hours. For instance, medication ordered three times a day can be given in the morning, after school, and at bedtime. **Medication sent to school must be sent in the original prescription/non prescription container. Medication will be administered only after a physician's order and a signed permission form has been received from the parent or guardian.** It is understood that this permission and physician's order will release the school from any liability.

For further information, refer to the district website at <http://www.madelia.k12.mn.us> under the district tab - district reports - school board policy manual - Policy 516. For consent forms refer to the district website under the parent tab - medication guidelines.

Section 7: Food Services

Households are encouraged to apply for free/reduced meals at the start of the school year. Applications are mailed to all households and are included in new enrollment packets. In addition, applications are available on our school district website at www.madelia.k12.mn.us and in the office at both the High School and the Elementary School.

Milk Breaks and Healthy Snack Program:

Students in Grades 1-6 have a daily snack break. (Kindergarten students, please refer to the Kindergarten Handbook.) **There is a fee for milk and the snack if purchased from school.** If you would like your child to drink milk during milk break, this fee will be payable at Early Entrance Conferences before the school year begins. Students are allowed to eat a small snack during milk break. Students may participate in the Healthy Snack program or bring a healthy snack from home. If the student participates in the Healthy Snack program, snacks are provided by the school at a fee of \$25/semester or \$50/ whole year. Milk is provided by the school at a fee of \$25 or \$50 for the whole year.

Food Service Information:

For more information about A la carte and additional lunch prices, applications for Free and Reduced breakfast and lunch, and menus can be found on the district website at <http://www.madelia.k12.mn.us> under the schools tab - food service - quick link sections.

(See Appendix D - Policy 534 and for further information, refer to the district website at <http://www.madelia.k12.mn.us> under the district tab - district reports - school board policy manual.)

Section 8: Transportation

Bicycles/Scooters/Rollerblades/Skateboards/Wheeled Devices:

Children are allowed to ride bicycles to school. Racks are provided for parking them, but the school does not accept any responsibility for the bicycles. As a measure of safety, we have established the following guidelines that must be followed:

1. All bicycles must be parked and locked in the racks provided.
2. Bicycles must be walked on school grounds, which includes the sidewalk surrounding the school.
3. Children may only ride their own bicycles.
4. Respect should be shown to others and their property.
5. Riders should follow all traffic rules.

6. Riders should avoid all door entrance areas of the Madelia Elementary School.
7. Students should not bring scooters or rollerblades to school or use these on school grounds during school hours.
8. Tennis shoes with wheels in the sole are not allowed during school hours.

Bus Expectations:

Riding the school bus is a privilege, not a right. The school district's general student behavior rules are in effect for all students on school buses, including nonpublic and charter school students. The school district will not provide transportation for students whose transportation privileges have been revoked.

If it is necessary for a student to ride a different bus than he/she would normally ride, you must send a note regarding this change to the child's teacher and bus driver. To arrange for busing or when there are bus issues, please call the bus company at 507-642-8426.

The school district is committed to transporting students in a safe and orderly manner. To accomplish this, student riders are expected to follow school district rules for waiting at a school bus stop and for riding on a school bus.

While waiting for the bus or after being dropped off at a school bus stop, all students must comply with the following rules:

- Get to the bus stop five minutes before your scheduled pick up time. The school bus driver will not wait for late students.
- Respect the property of others while waiting at the bus stop.
- Keep your arms, legs, and belongings to yourself.
- Use appropriate language.
- Stay away from the street, road, or highway when waiting for the bus.
- Wait until the bus stops before approaching the bus.
- After getting off the bus, move away from the bus.
- If you must cross the street, always cross in front of the bus where the driver can see you. Wait for the driver to signal to you before crossing the street.
- No fighting, harassment, intimidation, or horseplay.
- No use of alcohol, tobacco, or drugs.

While riding a school bus, all riders must comply with the following rules:

- Follow the driver's directions at all times.
- Remain seated facing forward while the bus is in motion.
- Talk quietly and use appropriate language.
- Keep all parts of your body inside the bus.
- Keep arms, legs, and belongings to yourself and out of the aisle.
- No fighting, harassment, intimidation, or horseplay.

- Do not throw any object.
- No eating, drinking, or use of alcohol, tobacco, or drugs.
- Do not bring any weapons or dangerous objects on the school bus.
- Do not damage the school bus.

Consequences for school bus/bus stop misconduct will be imposed by the school district under administrative discipline procedures. All school bus/bus stop misconduct will be reported to the school district's transportation safety director.

Parent Drop off/Pick Up:

If you are dropping off/picking up your child before or after school, you are to do so by parking on Adams Avenue. If you are picking your child up during school hours, you may park in the parking lot and sign your child out of the office. Otherwise, park on Adams Avenue to reduce traffic in the parking lot. At no time do we want K-6 parents to be parking on Main Street to drop off or pick up their child(ren).

Parking Lot Safety:

Madelia Elementary School has a small and easily congested parking area, which can be very hazardous when children are present. The possibility of accidents increases with many young children entering and leaving school at the same time. The parking lot should only be used to drop off or pick up children during the school day. The elementary parking lot will be closed to anyone not entering the building between the hours of 7:50 - 8:15 am and 2:55 - 3:15 pm.

Safety Patrol:

We offer Student Safety Patrol to support the safety of students who walk to and from school. Parents and students who need to cross East Main Street should cross at the designated crosswalk with the school safety patrol to ensure their safety. The school safety patrol is on duty from 7:50-8:05 a.m. and 3:05-3:15 p.m. Please note that for safety reasons Safety Patrol WILL NOT be present during severe electrical storms and exceptions are made in instances of extremely cold weather.

Students at Crossings:

1. Students should cross at intersections where patrollers are stationed whenever possible.
2. Listen to and follow patrollers' directions.
3. Wait behind the patroller until flags are out and the patroller tells students to cross.
4. Walk safely. Bicycles need to be walked when crossing the street.

Students who ride the Bus to and from School:

The buses arrive and depart from Buck Avenue. Upon arrival, students should remain on the sidewalk and go to the cafeteria for breakfast or to the playground for morning recess. Students are not to enter the parking lot for any reason. At the time of dismissal, students will exit the building with their teacher or other staff member and walk to get on the buses.

Policy #502 - Search of Student Lockers, Desks, Personal Possessions and Student’s Person

I. PURPOSE - The purpose of this policy is to provide for a safe and healthful educational environment by enforcing the school district’s policies against contraband.

A. Lockers and Personal Possessions Within a Locker

Pursuant to Minnesota statutes, school lockers are the property of the school district. At no time does the school district relinquish control of lockers provided for the convenience of students. Inspection of the interior of lockers may be

conducted by school for any reason at any time, without notice, without student consent, and without a search warrant. The personal possessions of students within a school locker may be searched only when school authorities have a reasonable suspicion that the search will uncover evidence of a violation of law or school rules. As soon as practicable after the search of a student's personal possessions, the school officials must provide notice of the search to students whose lockers were searched unless disclosure would impede an ongoing investigation by police or school officials.

B. Desks

School desks are the property of the school district. At no time does the school district relinquish its exclusive control of desks provided for the convenience of students. Inspection of the interior of desks may be conducted by school officials for any reason at any time, without notice, without student consent, and without a search warrant.

C. Personal Possessions and Student's Person

The personal possessions of students and/or a student's person may be searched when school officials have a reasonable suspicion that the search will uncover a violation of law or school rules. The search will be reasonable in its scope and intrusiveness.

D. It shall be a violation of this policy for students to use lockers and desks for unauthorized purposes or to store contraband. It shall be a violation for students to carry contraband on their person or in their personal possessions.

Policy #506 - Student Discipline

- I. **PURPOSE** - The purpose of this policy is to ensure that students are aware of and comply with the school district's expectations for student conduct. Such compliance will enhance the school district's ability to maintain discipline and ensure that there is no interference with the educational process. The school district will take appropriate disciplinary action when students fail to adhere to the Code of Student Conduct established by this policy.
- II. **GENERAL STATEMENT OF POLICY** - The school board recognizes that individual responsibility and mutual respect are essential components of the educational process. The school board further recognizes that nurturing the maturity of each student is of primary importance and is closely linked with the balance that must be maintained between authority and self-discipline as the

individual progresses from a child's dependence on authority to the more mature behavior of self-control.

All students are entitled to learn and develop in a setting which promotes respect of self, others, and property. Proper positive discipline can only result from an environment which provides options and stresses student self-direction, decision-making, and responsibility. Schools can function effectively only with internal discipline based on mutual understanding of rights and responsibilities.

Students must conduct themselves in an appropriate manner that maintains a climate in which learning can take place. Overall decorum affects student attitudes and influences student behavior. Proper student conduct is necessary to facilitate the education process and to create an atmosphere conducive to high student achievement.

Although this policy emphasizes the development of self-discipline, it is recognized that there are instances when it will be necessary to administer disciplinary measures. The position of the school district is that a fair and equitable district-wide student discipline policy will contribute to the quality of the student's educational experience. This discipline policy is adopted in accordance with and subject to the Minnesota Pupil Fair Dismissal Act, Minnesota Statutes, sections 121A.40-121A.56.

In view of the foregoing and in accordance with Minnesota Statutes, section 121A.55, the school board, with the participation of school district administrators, teachers, employees, students, parents, community members, and such other individuals and organizations as appropriate, has developed this policy which governs student conduct and applies to all students of the school district.

III. DEFINITIONS

A. "Nonexclusionary disciplinary policies and practices" means policies and practices that are alternatives to dismissing a pupil from school, including but not limited to evidence-based positive behavior interventions and supports, social and emotional services, school-linked mental health services, counseling services, social work services, academic screening for Title 1 services or reading interventions, and alternative education services. Nonexclusionary disciplinary policies and practices include but are not limited to the policies and practices under sections 120B.12; 121A.575, clauses (1) and (2); 121A.031, subdivision 4, paragraph (a), clause (1); 121A.61, subdivision 3, paragraph (r); and 122A.627, clause (3).

B. "Pupil withdrawal agreement" means a verbal or written agreement between a school administrator or district administrator and a pupil's parent to withdraw a student from the school district to avoid expulsion or

exclusion dismissal proceedings. The duration of the withdrawal agreement cannot be for more than a 12-month period.

I. PURPOSE - A safe and civil environment is needed for students to learn and attain high academic standards and to promote healthy human relationships. Bullying, like other violent or disruptive behavior, is conduct that interferes with a student's ability to learn and/or a teacher's ability to educate students in a safe environment. The school district cannot monitor the activities of students at all times and eliminate all incidents of bullying between students, particularly when students are not under the direct supervision of school personnel. However, to the extent such conduct affects the educational environment of the school district and the rights and welfare of its students and is within the control of the school district in its normal operations, the school district intends to prevent bullying and to take action to investigate, respond to, and to remediate and discipline for those acts of bullying which have not been successfully prevented. The purpose of this policy is to assist the school district in its goal of preventing and responding to acts of bullying, intimidation, violence, reprisal, retaliation, and other similar disruptive and detrimental behavior.

II. GENERAL STATEMENT OF POLICY -

A. An act of bullying, by either an individual student or a group of students, is expressly prohibited:

B. A school-aged child who voluntarily participates in a public school activity, such as a cocurricular or extracurricular activity, is subject to the policy provisions applicable to the public school students participating in

the activity.

C. This policy applies not only to students who directly engage in an act of bullying but also to students who, by their indirect behavior, condone or support another student's act of bullying. This policy also applies to any student whose conduct at any time or in any place constitutes bullying or other prohibited conduct that interferes with or obstructs the mission or operations of the school district or the safety or welfare of the student or other students, or materially and substantially interferes with a student's educational opportunities or performance or ability to participate in school functions or activities or receive school benefits, services, or privileges. This policy also applies to an act of cyberbullying regardless of whether such act is committed on or off school district property and/or with or without the use of school district resources. This policy also applies to sexual exploitation.

D. Malicious and sadistic conduct involving race, color, creed, national origin, sex, age, marital status, status with regard to public assistance, disability, religion, sexual harassment, and sexual orientation and gender identity as defined in Minnesota Statutes, chapter 363A is prohibited. This prohibition applies to students, independent contractors, teachers, administrators, and other school personnel

Malicious and sadistic conduct and sexual exploitation by a school district or school staff member, independent contractor, or enrolled student against a staff member, independent contractor, or student that occurs as described in Article II.A above is prohibited.

E. No teacher, administrator, volunteer, contractor, or other employee of the school district shall permit, condone, or tolerate bullying.

F. Apparent permission or consent by a student being bullied does not lessen or negate the prohibitions contained in this policy.

G. Retaliation against a victim, good faith reporter, or a witness of bullying is prohibited.

H. False accusations or reports of bullying against another student are prohibited.

I. A person who engages in an act of bullying, reprisal, retaliation, or false reporting of bullying or permits, condones, or tolerates bullying shall be subject to discipline or other remedial responses for that act in

accordance with the school district's policies and procedures, including the school district's discipline policy (See MSBA/MASA Model Policy 506). The school district may take into account the following factors:

1. The developmental ages and maturity levels of the parties involved;
2. The levels of harm, surrounding circumstances, and nature of the behavior;
3. Past incidences or past or continuing patterns of behavior;
4. The relationship between the parties involved; and
5. The context in which the alleged incidents occurred.

Consequences for students who commit prohibited acts of bullying may range from remedial responses or positive behavioral interventions up to and including suspension and/or expulsion. The school district shall employ research-based developmentally appropriate best practices that include preventative and remedial measures and effective discipline for deterring violations of this policy, apply throughout the school district, and foster student, parent, and community participation.

Consequences for employees who permit, condone, or tolerate bullying or engage in an act of reprisal or intentional false reporting of bullying may result in disciplinary action up to and including termination or discharge.

Consequences for other individuals engaging in prohibited acts of bullying may include, but not be limited to, exclusion from school district property and events.

J. The school district will act to investigate all complaints of bullying reported to the school district and will discipline or take appropriate action against any student, teacher, administrator, volunteer, contractor, or other employee of the school district who is found to have violated this policy.

- II. GENERAL STATEMENT OF POLICY - Student surveys may be conducted, as determined necessary, by the school district. The superintendent or designee may refuse to permit a survey to be conducted based on the alignment of the survey to the mission of the district and the impact the administration of the survey would have on the students' instructional day. The purpose of the system is more specific than providing students and employees with general access to the Internet.
