

Good Evening, this is Dan Skewis, Superintendent of Schools. Tonight's call is intended for middle school and high school students and families. The information provided will give you an idea of when you can report to your school building to return any material you might have that belongs to the school. A script of tonight's phone call will be posted on our District webpage, so you can refer back to it.

We'll start with middle school:

On Thursday (June 4) and Friday (June 5) Negaunee Middle School students will be returning material to school. These items include chrome books, textbooks, instruments, and any other material that we need to have returned to the school. We will also use this time to distribute school pictures, book fair orders, as well as, shop and art projects. This will take place in the gymnasium. We are asking that parents drop their students off at the Pioneer Avenue gym entrance. They will proceed to the marked entrance point and be directed into the gym. We will be setting up return stations and the students will be directed to go immediately to those stations, return their supplies, and then exit the building using school parking lot exit.
