

Mildred Kasper 2022 Life Lesson Scholarship Application

Mildred Kasper, who was known affectionately as “Millie”, was a single mother who raised 4 children in Chickasha from 1970-1987. As Director of Physical Therapy at Grady Memorial Hospital, she made many friends, and her kind and loving nature toward patients of all ages was well known. Mildred overcame many challenges in life and yet persevered with positivity and grace, always seeing the potential and best in people.

Although Mildred worked 6 days per week and raised her children alone, she took time to devote to her hobbies of painting, writing, and visiting the opera. Her Christmas parties were fun and lively, and all wanted to come. Mildred was active in her church, and her faith kept her going through difficult times. She was an amazing person who opened her door to almost anyone in need.

Known for her keen sense of humor, a beautiful disposition, natural elegance, and frank discussions, she made many friends from all walks of life and diverse backgrounds.

This scholarship is in memory of a remarkable woman who touched many lives along the way, always believing the best in the people. She radiated life, love and laughter into those who were lucky enough to have known her.
