WELCOME BACK

BY: SUPERINTENDENT DAN SKEWIS

I know I say this far too often, but it amazes me how fast time goes by. It seems like it was just last week that we ended the 2015-16 school year, and now, nearly three months later, we are starting the 2016-17 school year. A lot has happened in the district during this time, and I continue to be so grateful to be a part of this amazing school system. With that being said, the 2016-17 school year promises to be just as exciting as the years leading up to it. It is my hope that you have had the opportunity to enjoy family and friends during the past several weeks. I am sure the summer has re-energized our students, and they are eager to start the upcoming school year. The staff at Negaunee Public Schools is looking forward to seeing both the returning and new students to our district.

The 2016-17 school year will begin on Tuesday, September 6, with all three buildings having full days of instruction. The schedule for each building, listed on page 2, has been slightly adjusted from last year.

We continue to use each summer as a perfect opportunity to upgrade our district's facilities. Fortunately, this summer we have been able to take advantage of this time and have several projects that are either finished or are near completion. At Negaunee High School, in addition to a few classrooms being re-carpeted, a major facelift was given to the gymnasium. The interior walls and ceiling have been painted, new bleachers and drinking fountain have been installed, and the floor was repainted and finished. It looks like a totally different gym and we are thrilled with the outcome. In a short time, a new scoreboard will also be installed. At Negaunee Middle School, a lot of effort has been put toward regulating the heat in the building. We had a major steam trap assessment done throughout the building and replaced several of the traps that were in need of repair. Lakeview Elementary had exterior work done on the wall near the lower gym entrance. Over the past several years, the wind and snow coming off the lake had caused a small crack in the brick to expand, which made it necessary to remedy this issue. This was done early in the summer and now looks great. The second improvement to Lakeview was the replacement of windows along the Hungerford Avenue side of the building. Both windows and shades were installed in June and July. All of these projects were funded through our Sinking Fund, which was passed as a millage by our community in 2012. For that, I thank you. In the Summer of 2017, we will be going to the polls to ask our community to renew the Sinking Fund millage, which would result in more district improvements to take place in the future. I would also like to acknowledge Cliffs Natural Resources for funding a grant for a new press box, which is under construction at our football stadium. It is going to be a major improvement to what we had in the past and will make the entire stadium even better than it currently is.

Every school year brings several changes to our staff. As we get ready to start the upcoming school year, I would like to acknowledge Cathy Baldini, Connie Heinlein, Mary Jo Kytta, Connie Lindblom, Marina Lounds and Alan Reichel. These individuals have retired from their positions in the district. On behalf of Negaunee Public Schools, I would like to wish them the best of luck on their next chapter in life.

The Board of Education and Administration has been busy interviewing and hiring and/or transferring teaching staff throughout the district. At Negaunee Middle School, 5th grade teacher Mary Jo Kytta retired, which allowed Karie Belanger to transfer into her position. Due to the need of an extra section of fifth grade, Lori Bell will also be transferring to N.M.S. to fill that void. At Lakeview Elementary, because of the transfers of both Karie and Lori, we have hired two full-time teachers. Natalie Baroni and Kimberly Torreano will be the new Junior Kindergarten and First Grade teachers, respectively. Also at Lakeview, Bethany Koski will become the new Title I teacher. This is a new position created to better prepare our elementary students who face difficulties in mathematics and language arts. This has allowed Stephanie LeClaire to transfer from her part-time technology teaching position into a full-time classroom position. We have hired Alyssa Anttila as Lakeview's new technology teacher. Finally, at Lakeview, Sara Stabile has been hired to teach a section of Early Childhood Special Education (ECSE). This position was created due to the large number of ECSE students that have enrolled into the district.

Thank you in advance for all the support you provide the school district and our students.

SCHOOL SAFETY REPORT

No students have been expelled for the 2015-16 school year.

ASBESTOS MONITORING WITHIN THE DISTRICT

The Negaunee Schools are continuing to follow a plan to manage the asbestos in our school buildings. The buildings all contain asbestos, but it is not a health hazard if it is maintained properly. We are working to keep all of the asbestos materials in good condition. We only use licensed personnel to work on our asbestos. We have contracted with a local abatement contractor to continue to work on our asbestos on a regular basis and keep it repaired.

The Asbestos Management plan has all of the details of past and present asbestos activities in our school district along with a description of the location of all of the asbestos materials. This plan is available for your inspection in the district's Administration Office during regular office hours.

If you have any questions or concerns, contact Geoff Lasich, Business Manager, at 101 South Pioneer Avenue, Negaunee, MI 49866 or phone 475-4156.

TRANSPORTATION MESSAGE

Marcia Manninen, Transportation Supervisor

We are looking forward to welcoming your child(ren) back for the new school year! Many of the bus routes and bus numbers have changed. Please look over the bussing schedule carefully and advise your child(ren) of any changes.

Safety Tips for Bus Riders –Line up facing the school bus door – not along the side of the school bus.

- ⇒ Don't play in the street while waiting for the bus.
- ⇒ Never reach under a bus to get anything that has fallen or rolled underneath.
- ⇒ Get out of traffic and onto the sidewalk as soon as you get off the bus.
- ⇒ Wait for a signal from the bus driver before you cross the street.
- ⇒ Walk at least 10 steps in front of the bus so the driver can see you and never cross the street behind the bus.

REMINDER TO PARENTS – A written note is required for the bus driver if your child is to go anywhere other than home. Please indicate your child's name, date they will be riding, name and address of where they are to go. Many of our bus routes are figured at capacity limits. Therefore, special arrangements are needed to accommodate daycare bussing. All requests are subject to denial if an overage is anticipated for that bus route. Thank you for your continued support.

ATHLETICS PASSES NOW AVAILABLE

As the school year begins, so does another season of athletics. Now is the time to purchase a season pass to all district sporting events.

Sports schedules are available at all of the school buildings. If you have any questions please call the High School at 475-7861.

Pass prices are as follows:

Family \$175

Couple \$150

Adult \$95

Student \$70

Senior Citizens Free (if you received a senior pass in the past you do not have to renew it.)

Ticket prices for all of the High School sporting events are \$5.00 for adults and \$3.00 for students.

Come and support our fine young men and women and join in the Miners' spirit!

SCHOLARSHIP DONATIONS

Through the efforts and generosity of various organizations, families, and community members, students of the Class of 2016 at Negaunee High School had the opportunity to apply for numerous scholarships. Many organizations sponsor their own scholarship and there are also local scholarships run through Negaunee High School. Scholarship recipients were honored at the Scholarships & Academic Awards Program on Tuesday, May 24, 2016.

Over the years, the number of awards has increased as a result of donations from organizations and individuals. We would like to thank the sponsors of the following scholarships for the 2015/16 school year, which totaled over \$130,000. It is exciting that our community supports education to such an impressive extent! There is always room to add another scholarship and if your family or an organization you belong to is interested in establishing a local scholarship, please contact the Negaunee High School Guidance Office at 475-7861.

COMMUNITY SCHOOLS GRADUATES 19 ADULTS

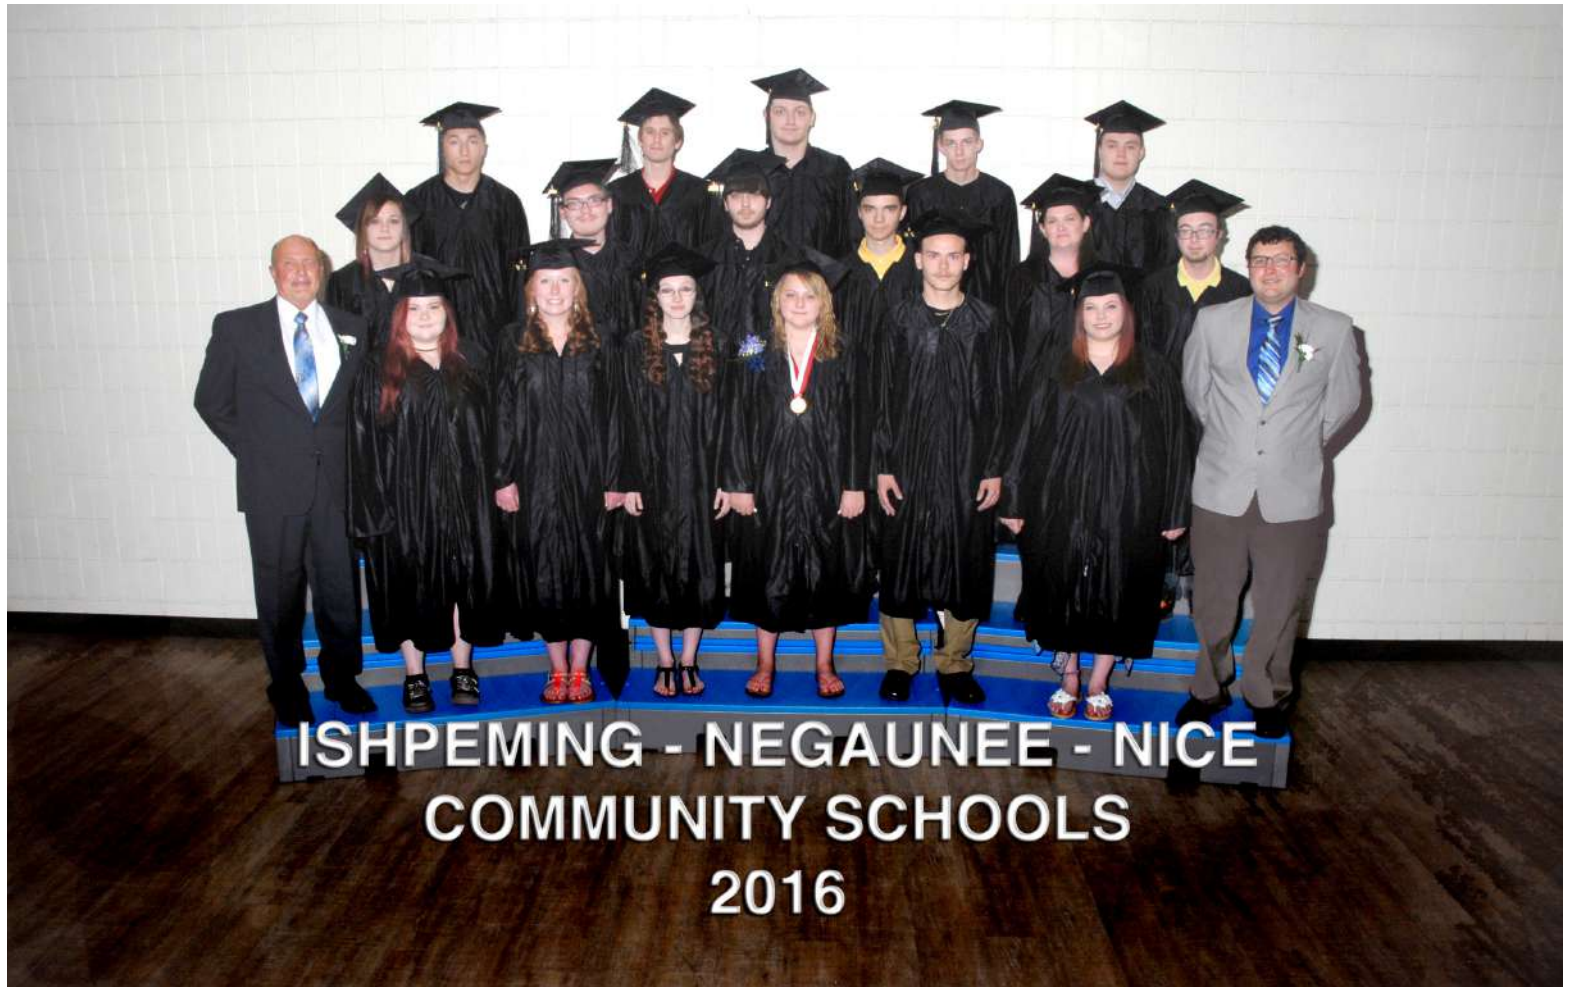

Photo credit: John Wallace - Peninsula Photographics

On Wednesday, May 18, 2016, at 7:00 p.m. at Negaunee High School, 19 area adults received their high school diplomas from the Ishpeming-Negaunee-NICE Adult Education Program. During the 48 years of service, the program has graduated 1620 adults according to Community Schools Director, Bill Hartman.

Graduate speaker for the class of 2016 was Samantha Croschere of the Ishpeming School District and guest speaker was Eric Mason, probation and parole agent. Superintendents Bryan DeAugustine of NICE, Carrie Meyer of Ishpeming, and Dan Skewis of Negaunee, along with their Principal Jason Houle, and Community Schools Director Bill Hartman, presented diplomas. Father Larry VanDamme of St. John the Evangelist Catholic Church in Ishpeming gave the invocation and benediction, and Kitty Kososki, Teacher with the Ishpeming-Negaunee-NICE Community Schools, served as Master of Ceremonies.

Member of the Class of 2016 include: Brandon Beaman, Taylor Bordeaux, Rebecca Broeders, Samantha Croschere, Trevor Fowler, Joshua Garceau, Amanda Hakkarinen, Austin Hill, Ashley Homola, Amber Kautz, Matthew Krause, Jacque Kurian, William Langson, Scott MacLachlan, Megan Menard, Jesse Olander, Jessica Payne, Frank Schiefel, Sean Uuro
