2. [Resume Slideshow](#) with assignment to create resume in Stash101.
3. [Applying for a Job in Stash](#) - Find the job, write a cover letter and complete an application form.

\*\*\* After the Career Slideshow and project, I have the students set up a Stash101 account. These are the slides!

# STASH 101

- One way we'll be learning about financial literacy is through a software platform called Stash101.
- This is a virtual online banking system where you will manage a checking, savings, and credit card account.
- You will be able to invest your virtual money, pay bills, and earn and lose money throughout the class period.

The screenshot displays the Canvas LMS user interface. On the left, a user profile is visible with a sample icon. A red circle and arrow highlight the icon, with a callout box saying "CLICK HERE!". The right side shows the "Profile Icon" creation tool, which allows users to create a unique profile icon by selecting options for "HAIR", "FACE", and "CLOTHING". The "HAIR" section has 10 color swatches. The "FACE" section has 10 face icons, with the 5th icon (a woman with dark hair) highlighted by a green circle. The "CLOTHING" section has 10 clothing icons, with the 5th icon (a red jacket) highlighted by a green circle.
